Thrawn Janet By Robert Louis Stevenson:

Thrawn Janet Robert Louis Stevenson, 2024 In a small Scottish village the Reverend's housekeeper is rumoured to be involved with witchcraft As strange and terrifying events unfold the villagers' darkest fears come to life Stevenson's masterful use of the Scots dialect and atmospheric setting enhances the eerie and unsettling mood of this gothic narrative Thrawn Janet is a short story by Robert Louis Stevenson originally published in 1881 ROBERT LOUIS STEVENSON 1850-1894 was a Scottish novelist, poet, essayist, and travel writer He is among the 30 most translated authors of all time and has been praised by Marcel Proust, Jorge Luis Borges, Vladimir Nabokov, Ernest Hemingway, and Bertolt Brecht Treasure Island is his most famous work along with the gothic sci-fi novella Strange Case of Dr Jekyll & Mr Hyde Thrawn Janet & a Poem Robert Louis Stevenson, 1995-01-01 Thrawn Janet, the Original Short Story Robert Louis Stevenson, 2015-01-27 The Reverend Murdoch Soule was long minister of the moorland parish of Balweary in the vale of Dule A severe, bleak-faced old man, dreadful to his hearers, he dwelt in the last years of his life without relative or servant or any human company in the small and lonely manse under the Hanging Shaw In spite of the iron composure of his features, his eye was wild, scared, and uncertain, and when he dwelt in private admonitions on the future of the impenitent, it seemed as if his eye pierced through the storms of time to the terrors of eternity **Robert Louis Stevenson** Paul Maixner, 2013-10-31 The Critical Heritage gathers together a large body of critical sources on major figures in literature Each volume presents contemporary responses to a writer's work, enabling students and researchers to read the material themselves Robert Louis Stevenson and the Great Affair Richard J. Hill, 2017-02-03 In his travel narrative Travels with a Donkey in the Cevennes 1879 Robert Louis Stevenson declares "I travel not to go anywhere, but to go. I travel for travel's sake. The great affair is to move." Taking up the concepts of time, place, and memory, the contributors to this collection explore in what ways the dynamic view of life suggested by this quotation permeates Stevenson's work The essays adopt a wide variety of critical approaches, including post-colonial theory, post-structuralism, new historicism, art history, and philosophy, making use of the vast array of literary materials that Stevenson left across a global journey that began in Scotland in 1850 and ended in Samoa in 1894 These range from travel journals, letters, and classic literary staples such as Treasure Island and The Strange Case of Dr Jekyll and Mr Hyde to rarely read masterpieces such as The Master of Ballantrae or The Ebb-Tide While much recent scholarship on Stevenson foregrounds geography, the present volume also examines the theme of movement across memory, time, and generic boundaries Taken together, the essays offer a view of Stevenson that demonstrates how the protean nature of his literary output reflects the radical developments in science, technology, and culture that characterized the age in which he lived **THE COMPLETE SHORT STORIES OF R. L. STEVENSON** Robert Louis Stevenson, 2023-11-20 In The Complete Short Stories of R. L. Stevenson Robert Louis Stevenson showcases a rich tapestry of human experience through his compelling narratives, imaginative settings, and profound psychological insights This collection captures the essence of the

Great Short Stories: Detective, Ghost, Romance and Adventure Stories (Complete) Various Authors, 1932-01-01

It was high holiday at Father Merlier's mill on that pleasant summer afternoon Three tables had been brought out into the garden and placed end to end in the shade of the great elm and now they were awaiting the arrival of the guests It was known throughout the length and breadth of the land that that day was to witness the betrothal of old Merlier's daughter Françoise to Dominique a young man who was said to be not overfond of work but whom never a woman for three leagues of the country around could look at without sparkling eyes such a well favored young fellow was he That mill of Father Merlier's was truly a very pleasant spot It was situated right in the heart of Rocreuse at the place where the main road makes a sharp bend The village has but a single street bordered on either side by a row of low whitened cottages but just there where the road curves there are broad stretches of meadow land and huge trees which follow the course of the Morelle cover the low grounds of the valley with a most delicious shade All Lorraine has no more charming bit of nature to show To right and left dense forests great monarchs of the wood centuries old rise from the gentle slopes and fill the horizon with a sea of waving trembling verdure while away toward the south extends the plain of wondrous fertility and checkered almost to infinity with its small enclosures divided off from one another by their live hedges But what makes the crowning glory of Rocreuse is the coolness of this verdurous nook even in the hottest days of July and August The Morelle comes down from the woods of Gagny and it would seem as if it gathered to itself on the way all the delicious freshness of the foliage beneath which it glides for many a league it brings down with it the murmuring sounds the glacial solemn shadows of the forest And that is not the only source of coolness there are running waters of all sorts singing among the copses one can not take a step without coming on a gushing spring and as he makes his way along the narrow paths seems to be treading above subterranean lakes that seek the air and sunshine through the moss above and profit by every smallest crevice at the roots of trees or among the chinks and crannies of the

rocks to burst forth in fountains of crystalline clearness So numerous and so loud are the whispering voices of these streams that they silence the song of the bullfinches It is as if one were in an enchanted park with cascades falling and flashing on every side The meadows below are never athirst The shadows beneath the gigantic chestnut trees are of inky blackness and along the edges of the fields long rows of poplars stand like walls of rustling foliage There is a double avenue of huge plane trees ascending across the fields toward the ancient castle of Gagny now gone to rack and ruin In this region where drought is never known vegetation of all kinds is wonderfully rank it is like a flower garden down there in the low ground between those two wooded hills a natural garden where the lawns are broad meadows and the giant trees represent colossal beds When the noonday sun pours down his scorching rays the shadows lie blue upon the ground vegetation slumbers in the genial warmth while every now and then a breath of almost icy coldness rustles the foliage Such was the spot where Father Merlier s mill enlivened nature run riot with its cheerful clack The building itself constructed of wood and plaster looked as if it might be coeval with our planet Its foundations were in part laved by the Morelle which here expands into a clear pool A dam a few feet in height afforded sufficient head of water to drive the old wheel which creaked and groaned as it revolved with the asthmatic wheezing of a faithful servant who has grown old in her place Whenever Father Merlier was advised to change it he would shake his head and say that like as not a young wheel would be lazier and not so well acquainted with its duties and then he would set to work and patch up the old one with anything that came to hand old hogshead staves bits of rusty iron zinc or lead The old wheel only seemed the gayer for it with its odd round countenance all plumed and feathered with tufts of moss and grass and when the water poured over it in a silvery tide its gaunt black skeleton was decked out with a gorgeous display of pearls and diamonds

more than a millennium It drew on and was influenced by Christian eschatology gathered momentum in medieval ecclesiastical chronicles such as those written by Caesarius of Heisterbach and then migrated into imaginative literature famously in John Lydgate's *Dance of Death* and art But why did revenant stories and imagery take such a hold in the Middle Ages And why has that fascination held on into today's world This book offers a history of these revenant narratives demonstrating how modern horror is haunted by past literature and exploring the motif of the risen dead as a focus of cultural anxiety and literary effort The author examines the long arc of revenant tales from antiquity and the Middle Ages through the Reformation and into modernity tracing their uncanny similarities and laying bare the rich traditions of narrative theme motif supernatural belief and eschatological fears and preoccupations the Middle Ages through the Reformation and into modernity tracing their uncanny similarities and laying bare the rich traditions of narrative theme motif supernatural belief and eschatological fears and preoccupations the Middle Ages through the Reformation and into modernity tracing their uncanny similarities and laying bare the rich traditions of narrative theme motif supernatural belief and eschatological fears and preoccupations the Middle Ages through the Reformation and into modernity tracing their uncanny similarities and laying bare the rich traditions of narrative theme motif supernatural belief and eschatological fears and preoccupations
