best known for the novel *True Grit* and its film adaptations. Hailed by one critic as the author of classics on the order of a twentieth century Mark Twain and as America's least known great novelist, Portis has garnered a devoted fan base with his ear for language, picaresque characters, literary Easter eggs, and talent for injecting comedy into even the smallest turn of phrase. As a former Marine who served on the front lines of the Korean War and as a journalist who observed firsthand the violent resistance to the civil rights movement, Portis reported on atrocities that came to inform his fiction profoundly. His novels take aim at colonialism and notions of American exceptionalism, focusing on ordinary people, often vets, searching for safe havens in a fallen world. *Haunted Man's Report*, a deeply insightful literary exploration of Portis's singular and underexamined oeuvre, celebrates this novelist's great achievement and is certain to prove a valuable guide for readers new to Portis as well as aficionados.

Charles Portis: Collected Works (LOA #369) Charles Portis, 2023-05-09

The ultimate Portis for the first time in one collector's volume: the complete fiction and collected nonfiction of the author of *True Grit*. Rediscover a comic genius and master storyteller comparable to Mark Twain. Charles Portis is one of the great pure pleasures available in American literature. Ron Rosenbaum: Like Mark Twain's *Huckleberry Finn* and Thomas Berger's *Little Big Man*, Charles Portis's *True Grit* captures the naïve elegance of the American voice. Jonathan Lethem: No living Southern writer captures the spoken idioms of the South as artfully as Portis does. Donna Tartt: His fiction is the funniest I know. Roy Blount Jr.: Twice adapted as a film, first in a version starring John Wayne and then by the Coen Brothers, *True Grit* is a wonder of novelistic perfection, told in the unforgettable voice of 14-year-old Mattie Ross as she sets out to avenge her murdered father in a quest that brings her out of her native Arkansas and into the wilds of the Choctaw Nation of the 1870s. One of the great literary Westerns, it is also a novel that has invited comparison with *The Wizard of Oz*, *Alice in Wonderland*, and *Adventures of Huckleberry Finn*. Portis's deadpan debut novel *Norwood* (1966) is like *True Grit*, the story of a quest, though here the stakes are far lower: an auto mechanic from Texas embarks on a madcap journey to New York City to try and recover 70 owed to him from an Army buddy. A book that, according to Roy Blount Jr., no one should die without having read, *The Dog of the South* (1979) is yet a third saga of pursuit, this time all the way to Central America. Ray Midge is on the road looking for the man who has run off with his car, and of somewhat less interest to him, his wife. *Masters of Atlantis* (1985) conjures the fictional cult of Gnomonism and takes an uproarious plunge into the dark heart of conspiratorial thinking and schismatic fighting. *Gringos* (1991), set in Mexico, follows an expatriate ex-Marine in his search to find a UFO hunter gone missing in the Yucatan, amid a supporting cast of archaeologists, drug-addled hippie millenarians, and the son of the bravest dog in all Mexico. A generous gathering of the nonfiction reveals Portis's skills as a reporter, above all in his coverage of the Civil Rights Movement, his appreciation of Arkansas history and landscape as in *The Forgotten River*, and his poignancy as a family memoirist on display in his recollection *Combinations of Jacksons*.

Updating the Literary West, 1997. Western writers, says Thomas J. Lyon in his epilogue to *Updating the Literary West*, have grown up with the frontier myth but now find themselves in the early stages

of creating a new western myth The editors of the Literary History of the American West TCU Press 1987 hoped that the first volume would begin not conclude their exploration of the West s literary heritage Out of this hope comes Updating the Literary West a comprehensive reference anthology including essays by over one hundred scholars A selected bibliography is included with each piece In the ten years since publication of LHAW western writing has developed a significantly larger presence in the national literary stream A variety of cultural viewpoints have developed along with new tactics for literary study New authors have risen to prominence and the range of subjects has changed and widened Updating the Literary West looks at topics ranging from western classics to cowboys and Cadillacs and considers children s literature ethnicity environmental writing gender issues and other topics in which change has been rapid since publication of LHAW This volume again affirms the West s literary legitimacy status hard earned by the Western Literary Association and the lasting place of popular western writing as part of the growing and changing literary and American experience An excellent reference for a wide range of readers and an invaluable resource for scholars and libraries Selected list of contributors James Maguire Fred Erisman Susan J Rosowski Gerald Haslam Tom Pilkington A Carl Bredahl Richard Slotkin John G Cawelti Robert F Gish Ann Ronald Mick McAllister
