**Vampire Zero** David Wellington, 2011-08-04 U S Marshal Jameson Arkeley taught police investigator and vampire fighter Laura Caxton everything she knows about monsters When an army of vampires attacked Gettysburg Arkeley gave up his own life to save others Except he didn't exactly die He accepted the curse and is now a vampire himself one that knows all the tricks better than anyone else Now Laura is faced with the task of destroying him before he succeeds in his quest to exterminate his own family one member at a time But Arkeley knows all her tactics too after all he taught her Worse still if Laura fails to stop him then Arkeley will become a beast exponentially more dangerous a Vampire Zero **99 Coffins** David Wellington, 2011-06-02 Laura Caxton vowed never to face them again The horror of what the vampires did is too close the wounds too fresh But when Jameson Arkeley broken and barely recognizable comes to her with an unfathomable discovery her resolve crumbles In Gettysburg a tomb has been discovered Cemeteries are nothing new for this town legendary for its role in the Civil War's bloodiest battle But this one is different It contains 100 coffins 99 of them occupied by vampires missing their hearts one is empty and smashed to pieces How have they lain undisturbed for 150 years And who is the missing vampire More importantly where is he The answer lies in Civil War documents containing sinister secrets about the coffins secrets that will throw Laura into a gruesome deadly mission to save an entire town from an army of the undead
