## **When God Walked The Earth By Rick Joyner:**

**When God Walked the Earth** Rick Joyner, 2007-08 After creation itself the greatest miracle was when God Himself became a Man and walked upon the earth He did this to show man how to become a new creation ascending into the heavenly realm with a spiritual nature This book one of Rick Joyner's favorites is about this most remarkable time and written from the perspective of both men and angels

**Wisdom Is The Principal Thing For Your Ministry** Dag Heward-Mills, 2022-05-18 In the beginning was the Word The Word was with God The Word was God God and His Word are always at the centre and the beginning of anything worthwhile If your life is to amount to anything God and His Word must be the principal thing Your wisdom reveals the way you think Wisdom makes you a practical person A wise man builds something What you have built reveals your wisdom Wisdom is the master key to the leadership skills you need for ministry Wisdom is the key to dealing with the challenges of leadership Solomon asked for wisdom from God God gave him a wise and understanding heart The result of this wise and understanding heart is seen throughout the Bible This book does not talk about human cleverness or deceptive speeches This book is not talking of high sounding words that are used to confuse people The author Bishop Dag Heward Mills seeks to enlighten the reader that though there are different kinds of wisdom the word of God is the principal thing

**Predestination Paradox of Life** Dr. Benjamin Dadebo, 2011-10-31 The world is so wonderfully designed Only by blatant dishonesty can anyone doubt there must be a designer God There is nothing manufactured without purpose God claims responsibility for all creation and has a purpose and predetermined plan for all Nothing happens on Earth without the permissive will of God None of us chose to be born God decided who should be born where and how long one can live at the end of which is judgment The mysteries of life are resolved through a personal relationship with Jesus Christ the only prescribed way Avoid religion a man made deception agent

*The Gospel of Mark* Rick Joyner, 2013 The Gospel of Mark found immediate acceptance among the early Christians There has never been much controversy about its authenticity It is indeed the work of Mark who had been a disciple and close associate of several of the most imminent apostles including Paul and Barnabas Mark wrote this account of the life of Christ as it had been told to him by Peter one of the closest of the twelve to Jesus Many believe this is why it was written in such a basic and rough style the way a fisherman like Peter might have conveyed the greatest story ever told Even though this is the shortest of the Gospels it includes rich details such as the expressions feelings and gestures of Christ and others in the account and even comments from the crowd This implies that the Gospel of Mark is the remembrance of someone very close to Jesus and all that is described When Mark's Gospel is read with this in mind its coarse style takes on a special richness
