over 200 years of history from the frontier wars of the 18th century to the rise and growth of the Industrial Revolution in the late 19th and early 20th centuries      **The Delaware River Water War** Robert Flowers, 2009 This book I would hope would open the minds of a lot of people who refuse to accept the greatness of the afro american and all those who climb from the bottom and want to be recognized for their glory and not their shortcomings In the midst of this day i want people to know they can achieve anything they set out to achieve and don't let no one tell you different When putting these poems together my theme was for us to rise as people and stop killing one another and start helping one another for now is the time to rise for tomorrow may overcome your true radiance      Fall River Directory ,1880
