Poisonous Tales Hilary Hamnett, 2023-05-17 Dangerous, dark, and difficult to detect, poisons have been a common character in literature from ancient times to the modern day. Their ability to perform deadly deeds at a distance is a common device for creating dramatic tension and playing on our real-life fears. But what is fact and what is pure fiction? From Shakespeare and Dickens to Hugo and Poe, the macabre world of literary poisonings is as large as it is fascinating. Utilising real forensic science, *Poisonous Tales* explores the real science inspiring the toxins and tinctures in our favourite works. Could a poison really mimic death in *Romeo and Juliet*? What is the cause of the mad Hatter's malady in *Alice in Wonderland*? And

could a stone from the stomach of a goat really have been used as an antidote in Harry Potter and the Half Blood Prince Through these and many more cases we discover the captivating truth in the texts and how real life tragedies can replicate themselves in fiction *The Bittersweet Vine* Marissa de Luna,2013-09-15 Maria Shroder wakes up on the morning of the 28th of September as though it were any other She is alone in her apartment her music is playing softly in the background but her wrists and neck though void of any marks are sore Having no recollection of the days that have passed since her abduction Maria discovers she is suffering from hysterical amnesia What is it that her mind is protecting her from Maria sets out on a journey to uncover the truth a truth that strangely seems to involve the book club she has just joined In her desperate attempt for some answers Maria is forced to first unearth the secrets of her past Only then will she be able to unlock the memory of those forgotten days **Oprah's The Life You Want Book Lover's Journal** Oprah Daily,2025-05-06 Join Oprah on a literary celebration in this guided reading journal featuring 100 writing prompts that will help you discover and remember the power of great books Also features inspirational quotes and fascinating insights on every Oprah Book Club pick straight from the source A really good book can transport you to a different world motivate you to achieve your dreams challenge your assumptions and connect you to yourself and others In this beautiful and inspirational guided journal Oprah leads you through your reading journey sharing her passion for reading through personal stories insights about books that have influenced her life and thoughtful prompts to help you capture your love of books Inside you ll find Ample space to reflect on the books you ve read and what you learned from them along with a place to record your to be read list Oprah s favorite books including her 100 Oprah s Book Club picks and her favorite first sentences and why they mean so much to her Advice on starting your own book club or reading group and conversation topics to spark discussions Inspiring quotes from Oprah and other thought leaders that will guide your reading journey A beautiful package includes a linen hardcover ribbon markers beautiful color photos and plenty of writing space for reflection Throughout this journal readers will deepen their passion for reading and become inspired to share it with others Oprah s Book Lover s Journal is the perfect gift for yourself or a fellow reader *The Oprah Phenomenon* Jennifer Harris,Elwood Watson,2007-03-16 Excellent essays on a business empire a cultural phenomenon and the nature of the extraordinary bond between Oprah Winfrey and her fans Journal of Social History Oprah Winfrey has built an empire on her ability to connect with and inspire her audience No longer just a name Oprah has become a brand representing a unique style of self actualizing individualism The cultural and economic power wielded by Winfrey merits critical evaluation The contributors to *The Oprah Phenomenon* examine the origins of her public image and its substantial influence on politics entertainment and popular opinion Contributors address praise from her supporters and weigh criticisms from her detractors Winfrey s ability to create a feeling of intimacy with her audience has long been cited as a foundation of her popularity She has made headlines by engaging and informing her audience with respect to her personal relationships to race gender feminism and New Age culture *The Oprah Phenomenon* explores these
