Howie screeches to a stop but she dies before he is able to get help. Who was this woman and where did she come from? When Jack Wilder and Howie are hired by a non-profit organization Washington Women Against Trafficking they are soon embroiled in the most dangerous case of their career: what appears to be an illegal cannabis operation on Indian land financed by Hong Kong money that in fact is hiding something much more sinister. To complicate matters, Howie is making preparations for the visit of his 17-year-old daughter Georgina, whose existence he only recently discovered. Georgie grew up in Scotland and it's a good thing she's an adventurous girl because she's about to get a real taste of the Wild West. **WALKING RAIN** is a tale of corruption, international crime, and the challenges of parenthood as Howie finds himself an unexpected father to a teenage girl. Sensory Tourism Ian S. Jenkins, Robert S. Bristow, 2024-11-13. Tourism offers countless global locations providing a multitude of sensory experiences. These include commercialised tourism products such as saunas and floatation tanks through to natural phenomenon such as mountains and wilderness destinations. Consequently, sensory elements are a curious concept within tourism because every destination provides a sensory experience of one kind or another. The first of its kind, this book examines holidays and tourism through sensory perceptions which either encourage or deter consumers. It studies sensoryscapes and how they effect and affect tourism at destinations and be linked with the development of tourist niches reflecting the segmenting of the mass market tourism into smaller segments. Finally, it reflects on how, with increased urbanisation, there is a growing need to find quiet spaces free from urban or anthropogenic noise such as silent retreats and dark sky meditation holidays. Escape has always been one of the main components of tourism development together with attraction to spatial locations that match tourists' needs. It will be of interest to those studying tourism management as well as wider social science disciplines. **LAURA ROSEWOODS' DIARY OF DEATH** RICHARD SATTANNI, 2018-02-12.
