The Banned List A Manifesto Against Jargon And Cliche:

The Banned List John Rentoul, 2011 John Rentoul examines how poor writing and a reliance on jargon have damaged our ability to communicate with each other and make the case for the use of clear English Unashamedly polemical in tone this compelling essay condemns such linguistic atrocities as the verbication of nouns the use of waffle to pad out a simple statement or the importing of business jargon into everyday situations *NB by J. C.: A Walk through the Times Literary Supplement* James Campbell, 2023-05-02 NB by J C a collection of James Campbell's best columns from the TLS is a guide to the literary pleasures and absurdities of the past two decades For over twenty years James Campbell wrote the popular NB column on the back page of The Times Literary Supplement signing it J C The initials were not intended as a disguise but to provide freedom to the persona J C was irreverent whimsical occasionally severe The column had a low tolerance for the literary sins of pomposity hypocrisy and cant It took aim at contemporary absurdities resulting from identity politics or from academic jargon Readers of NB by J C will find not only an off beat guide to our cultural times but entries from The TLS Reviewer's Handbook which offered regular advice on the cultivation of a good writing style Above all aspire to the Three E's elegance eloquence and entertainment The Introduction offers a history of the TLS from its beginnings through its precarious stages of adaptation and survival The secret of J C's weekly column is its unique mix of anonymity with intimacy this stranger whom we meet over our morning coffee is the most discreet and delightful of guides to what's happening good or mostly bad in the literary world with all its pretensions follies and occasional triumphs I especially relished J C's prizes for the worst prose or the silliest blurb Then again leave it to J C to find the rare edition the forgotten book of poems that deserves another look True wit coupled with wisdom it's the rarest of writerly feats Marjorie Perloff author of *The Vienna Paradox A Memoir* I receive immense pleasure from J C's columns Something more than pleasure warmth laughter gratitude especially when he is nailing academic unreadability Vivian Gornick author of *Unfinished Business Notes of a Chronic Re Reader* For many years Campbell appeared each week in the Times Literary Supplement where his back page essay ironic bookish and irresistibly entertaining was every subscriber's favorite feature Michael Dirda Washington Post on James Campbell's NB column

Clichés Nigel Fountain, 2012-09-06 Entertaining and informative this collection of clichés really is the best thing since sliced bread *The Shock of the Same* Tom Grimwood, 2021-06-01 Since the birth of modernity Western thought has been at war with clichés The association of philosophical and cultural integrity with originality and the corresponding need for invention and novelty has been a distinct concern of a whole spectrum of ideas and movements from Nietzsche's polemics against the herd the shock of the new of the artistic avant garde the Frankfurt School's critique of mass culture to Orwell's defence of political dialogue from dying metaphors This book is the first examination of the cliché as a philosophical concept Challenging the idea that clichés are lazy or spurious opposites to genuine thinking it instead locates them as a dynamic and contestable boundary between thought and non thought The book unpacks the constituent phenomena of cliché's repetition

circulation the readymade same ness through readings of anti philosophical thinkers such as Nietzsche Kierkegaard Paulhan de Certeau Derrida Sloterdijk Badiou and Groys In doing so the book critically articulates the techniques and technologies through which the boundary between thought and non thought is formed in modern Western philosophy Rejecting the idea that clichés should be dismissed out of hand on normative frameworks of good and bad thinking or new and old ideas it instead interrogates the material cultural and archival ground on which these frameworks are built *Bulletin of the Atomic Scientists*, 1984-08 **Bulletin of the Atomic Scientists**, 1979-03 **New Statesman Society**, 1993 **Unlikeable Female Characters** Anna Bogutskaya, 2023-05-09 A fresh feminist appraisal of the pop culture canon Publishers Weekly How bitches trainwrecks shrews and crazy women have taken over pop culture and liberated women from having to be nice Female characters throughout history have been burdened by the moral trap that is likeability Any woman who dares to reveal her messy side has been treated as a cautionary tale Today unlikeable female characters are everywhere in film TV and wider pop culture For the first time ever they are being accepted by audiences and even showered with industry awards We are finally accepting that women are gasp fully fledged human beings How did we get to this point Unlikeable Female Characters traces the evolution of highly memorable female characters examining what exactly makes them popular how audiences have reacted to them and the ways in which pop culture is finally allowing us to celebrate the complexities of being a woman Anna Bogutskaya film programmer broadcaster and co founder of the horror film collective and podcast The Final Girls takes us on a journey through popular film TV and music looking at the nuances of womanhood on and off screen to reveal whether pop culture and society is finally ready to embrace complicated women Praise for Unlikeable Female Characters Fascinating insightful and kick ass Emma Jane Unsworth internationally bestselling author of Grown Ups and Animals Beautifully written Chelsea G Summers author of A Certain Hunger Part cultural expos part Taylor Swift album Clarisse Loughrey Chief Film Critic at The Independent Brilliant masterpiece breaking down the tired tropes of TV and beyond Aparna Shewakramani author of She's Unlikeable and star of Indian Matchmaking **Consuming Fashion** Anne Brydon, Sandra Niessen, 1998-09 Drawing on ethnographic knowledge to connect theory practice the authors reveal links between material culture social economic forces personal performance to explain clothing choices through time and across cultures Maximum Rocknroll, 1992-08 A Supplement to the Oxford English Dictionary R.
