If Tombstones Could Talk Stacey Joy Netzel,2011-10-22 Had someone asked Melanie Sparks if she believed in ghosts she d have laughed before voicing an

emphatic No Then she takes a walking tour of the cemetery in her new hometown of Lindeman s Crossing Colorado and meets one of the residents face to face The story behind Andrew Lindeman s tragic death after the Pike s Peak Gold Rush in 1859 triggers dreams in which she relives his last moments Drawn to the handsome ghost attraction builds and she resolves to clear his tarnished name A passionate kiss sets his spirit free but will Melanie lose her heart forever Excerpt She started with the trail next to the river behind her cottage The walk along the South Platte River settled her nerves until she realized it d looped through the park and led her back to the cemetery Her feet rooted to the spot outside the gate as she stared intently at that one specific shaded grave site Everything looked normal No shadow figures No shimmering air No voices in her head Most likely her subconscious had been playing with her yesterday Her imagination had been in overdrive after all the wonderful history she d learned Still hesitant Melanie entered the deserted grounds and followed the path John had led the senior group along the day before Every so often she snuck a glance toward the black granite until at the end she once again stood in front of the stone Deep breath Let it out slow Everything s fine Squatting down she reached to touch the old worn stone sunk in the earth Cold As it should be Her gaze rose to the other one looming in front of her Nervous anticipation mixed with dread raising goose bumps on her arms like yesterday Much as she didn t want to touch its smooth surface she had to make sure Her hand trembled slightly as she extended her arm Cool Relief tingled through her entire body With one finger she traced the A in Andrew then flattened her palm over the name In a single instant the granite warmed almost to the point of burning her flesh She yanked her hand back with a gasp then nearly jumped out of her skin when a male figure materialized out of thin air right before her eyes Dark glittering eyes locked on her A scream froze in her throat and she found she couldn t breathe If she stayed still would it go away Her lungs burned She needed oxygen or she d faint Rising slowly she drew in a deep breath of air then concentrated on repeating the process until her legs steadied All the while her mind registered details The man of her dreams Tall Dark wavy hair worn long enough to hang over his forehead and brush the collar of his black shirt Eyes that at first glance appeared black but now she saw were a sexy slate gray His thick eyebrows shadowed them making them seem darker A hint of a five o clock shadow lent a sinister air yet she wasn t truly afraid of him You can see me The husky accusation washed over her

back looking like a guilty little boy Talk about saved by the bell She cleared her throat and smiled as a couple of teenage girls walked up to the counter Her smile faded when she realized they weren't there as customers They both gazed up at Matt their heavily made up faces pathetically adoring Hi the curly haired blonde cooed as her brunette friend clutched onto her arm looking about ready to faint Carrie rolled her eyes Matt met her gaze amusement dancing in his eyes before shooting the girls a wink What can I get for you ladies We were just wondering what time does the library open In about two minutes Come on I'll walk you over He glanced at Carrie Same time tomorrow I'll be counting the minutes she muttered Never Let Me Go Donna Marie Rogers, 2013-01-13 A hometown series full of sexy romance humor and heart Sheriff Chase Lowell has never been more terrified than when he discovers the diner where Hannah Porter works has been robbed at gunpoint He's been in love with her for as long as he can remember but has kept his feelings in check because she's his best friend's little sister Hannah has had a crush on Chase since she was in the third grade He's kind compassionate and as handsome as they come They've known each other forever which seems to be the problem he thinks of her more as a kid sister rather than a romantic interest But something changes the night he races into the diner and crushes her in his arms When he makes her safety his personal mission Hannah decides to make it her mission to get him to see her in a different light EXCERPT A myriad of expressions crossed her face as she seemed to wage some inner war with herself She nibbled her bottom lips as her gaze moved back and forth between his eyes and his lips Suddenly she hiked a leg over his lap and straddled him effectively stealing his breath Sheriff are you going shy on me Stunned Chase's hands settled uncertainly at her waist as he met her smiling gaze Dimples are you flirting with me he countered Maybe I am she teased her voice dropping to a throaty whisper Ah hell His hands tightened slightly on her hips as his pulse kicked into warp speed His gaze dropped to her mouth that luscious mouth as she leaned in and softly brushed her lips against his once then again with just a bit more pressure Chase's eyes drifted shut as a low moan escaped him She pulled back a few inches and whispered You okay the humor in her voice unmistakable Hannah y you don't understand What don't I understand Her warm breath feathered across his cheek Christ fool just say it The only woman you've ever felt anything for is wrapped around you like a pretzel yours for the taking and all you can do is stutter like an idiot I want you he finally admitted Then quickly added But I don't know if this is such a good idea She pulled back and stared at him in confusion Why not I want you You just admitted you want me too We're both adults What exactly is the problem Christ Dimples I've known you since you were a baby And I've known you since you were a bed wetter she countered laughter in her tone What does that have to do with anything I mean unless you still do in which case I'll need to put a mattress cover on my bed Chase gave the beautiful witch a swat on the ass She yelped playfully and wiggled in his lap I never wet the bed he insisted though his face did grow warm over the lie Please Drew and Charlie teased you about it for years The only reason they stopped is you kicked both their asses and threatened to feed them each a worm if they ever mentioned it again Damn you have a good memory Yep And I have a few other good qualities as well She leaned in

next to his ear and whispered Which I d be happy to show you if you d loosen up a bit
