[With the Text.] ,1841 **Conflict and Enmity in the Asaph Psalms** David Cameron Ray,2023-10-09 David Ray examines the extent to which the Asaph Psalms constitute a coherent collection through its ubiquitous motif of conflict A binary relational model and semantic roles at discourse level are used to uncover underlying power dynamics in the text Initially presenting a supposedly innocent collective as fixated on the presence of its opponent while God is perceived as absent the psalmists then focus on the failure of different generations to adhere to covenant obligations crystallised in divine judgment The Asaph Psalms closes with a sapiential outcome wherein the collective expresses dependence on God anticipating divine intervention against God s own ingathered heavenly and earthly opponents Ray configures a pattern of conflicts consistent with Deuteronomistic informed pastoral teaching namely to follow God s ways recognise complicity in suffering and place complete trust in the warrior judge God **Trusting God When Times Are Tough** Ed Hindson,2011-08-01 No matter what you may be facing God is there to help you This message resonates throughout this encouraging resource from respected author and Bible teacher Ed Hindson In an inspiring new chapter about his recent personal illness and brush with death Hindson compassionately communicates how God s grace does not keep us from hardships but helps us through our tough times As readers struggling with rejection guilt fear depression temptation disappointment and more realize that God is always near they will begin to face crises with confidence turn problems into opportunities conquer anxiety stress and feelings of failure set realistic goals for change rest in God s strength in every situation A strong biblical resource that offers a new outlook on life s disappointments and hurts Includes a special reference guide that looks at key difficulties people face and the Bible s answers to those problems Rerelease of God Is There in Tough Times **Revival of Religion's Sciences (Ihya Ulum ad-din) 1-4 Vol 3** Abi Hamed al Ghazali,2010-01-01 **You Can Overcome the Jealousites in Your Life** KaShana Gallentine,2011-02-11 What is a jealousite you might ask The term jealous means very watchful or careful in guarding or keeping resentfully suspicious of a rival or a rivals influence resentfully
