tailored just for you **Discover Peace Through Radical Self-Honesty: Own Truth, Drop Shame, Live Lighter** Sybex Books,2025-06-23 Peace doesn't come from pretending everything is fine. It comes from finally telling the truth. Discover Peace Through Radical Self-Honesty is a powerful invitation to take off the emotional armor and face yourself fully, not to shame or fix what you find, but to understand, embrace, and finally breathe. This book guides you through the courageous practice of radical self-honesty, not the performative kind that looks good on paper but the raw, real truth telling that sets your nervous system free. You'll learn how to confront uncomfortable patterns, acknowledge where you've been hiding, and gently unravel the stories you've told yourself to survive. You'll also discover how to recognize emotional avoidance and confront it with grace. Say the hard things to yourself and others without spiraling. Use truth as a healing force, not a weapon. Let go of guilt, not just bypass it. Because real peace isn't the absence of problems; it's the absence of pretense. It's living with no secrets from yourself. When you stop editing your truth, you stop holding your breath. And in that space, you finally exhale. If you've been trying to keep it all together, this book will show you the freedom in falling apart, the power in honesty, and the relief of being exactly who you are.

Microeconomics for Managers Richard B. McKenzie, D. Eric Schansberg, Dwight R. Lee, 2024-03-28 This fully updated fourth edition explores microeconomic concepts with a distinctive emphasis on the economic way of thinking and its applicability to sharp managerial thinking, productivity, and good decision making. It stands apart due to its strong focus on practical and applied knowledge from the business context and its unique structure. Part I of each chapter develops key economic principles. Part II draws on those principles to discuss organizational and incentive issues in management, focusing on solving the principal agent problem to maximize the profitability of the firm. There are plentiful real-life scenarios and provocative examples in each chapter. Accessible to MBA students, other graduate students, and undergraduates, it is ideal as a core text for courses in Managerial Economics. Requiring an understanding of only basic algebra, this new edition is more concise, with a wealth of online resources including additional online chapters and an online appendix with more advanced mathematical applications.

Corporate Emotional Intelligence Gareth Chick, 2025-02-28 As part of the series Leadership and Executive Coaching, Corporate Emotional Intelligence is a seminal work for business communication, management, and organisational behaviour in the 21st Century, setting a new precedent for business leadership and management books. It analyses how human behaviour is conditioned within corporate cultures, how managers come to adopt unconscious controlling habits that are counterproductive and which create cultures of fear. It shows how, through the art of coaching and mentoring, breaking habits and personal development, transformational leadership within teams can result, and through theory and practice, shows us how to lead when managing people in the business environment. Unique to this leadership coaching book is the introduction of the Corporapath, the Corporate Hostage, and to the anxiety disorder CTSD, Corporate Traumatic Stress Disorder, yielding a profound new level of self-awareness for all.
