Ohio Right To Life Voter Guide:

The Values Campaign? John C. Green, Mark J. Rozell, Clyde Wilcox, 2006-08-17 The Christian Right never ceases to surprise professional observers of American politics. With the Christian coalition in disarray, many expected that the movement would play less of a role in the 2004 elections. But when exit polls reported that moral values were the most commonly cited reason for presidential vote choice, pundits immediately proclaimed the importance of the values vote. Yet the role of the Christian Right of statewide referenda on same sex marriage and of religious mobilization remained the subject of debate. *The Values Campaign: The Christian Right and the 2004 Elections* reaches well beyond the instant analyses of the post election period to provide an assessment of the role of the religious right in 2004. The contributors to this volume are among the leading scholars of religion and politics in the United States and many have contributed for over a decade to ongoing discussions of the role played by the religious right in national elections. The authors consider national mobilization and issues and also explore the role of the Christian Right in specific states. Their evaluations contend that the values campaign was not an aberration but a consistent pattern of national politics and that moral traditionalism will likely continue to be a significant factor in future elections. A timely study of the 2004 elections, this volume will appeal to scholars and observers of electoral politics, state politics, and religion and politics.

God at the Grassroots 2016 Mark J. Rozell, Clyde Wilcox, 2017-11-02 In *God at the Grassroots 2016: The Christian Right in American Politics*, a distinguished group of political scientists, many of whom have been studying the Christian Right for more than two decades, assess the 2016 elections from the standpoint of religious conservative activism. These elections, more than any that they have analyzed, best tell the story of the resilience of this movement and its enduring importance. The contributors address the evolution of the religious right movement for more than two decades and focus primarily on the movement's role in the 2016 elections. The first section examines the broader national context with chapters on the Republican nomination campaign, the general election, and the relationship between the religious right and the tea party. The second section comprises state-specific chapters focusing primarily on the crucial states in the 2016 presidential contest. They conclude with lessons learned from the studies of the religious right in the elections from 1994 through 2016 and address directions for continued research on the subject.

Contributions by Joseph Cella, Kimberly H. Conger, Matthew Corrigan, Paul A. Djupe, Christopher P. Gilbert, James L. Guth, Donna R. Hoffman, Ted G. Jelen, Alexander Jensen, Christopher W. Larimer, Mikael Pelz, Sucheta Pyakuryal, Carin Robinson, Mark J. Rozell, Corwin E. Smidt, Oran P. Smith, Kenneth D. Wald, Clyde Wilcox, and Abigail Zofchak.

Dollars for Life Mary Ziegler, 2022-06-21 A new understanding of the slow drift to extremes in American politics that shows how the anti-abortion movement remade the Republican Party. A sober, knowledgeable, scholarly analysis of a timely issue. *Kirkus Reviews* As Mary Ziegler shows us in this incisive and important book, anti-abortion activists have shaped the GOP in ways that even they could not have anticipated. Everyone interested in the past and future of American politics should read this book. Laura Kalman

University of California Santa Barbara The modern Republican Party is the party of conservative Christianity and big business two things so closely identified with the contemporary GOP that we hardly notice the strangeness of the pairing Legal historian Mary Ziegler traces how the anti abortion movement helped to forge and later upend this alliance Beginning with the Supreme Court s landmark decision in Buckley v Valeo right to lifers fought to gain power in the GOP by changing how campaign spending and the First Amendment work The anti abortion movement helped to revolutionize the rules of money in U S politics and persuaded conservative voters to fixate on the federal courts Ultimately the campaign finance landscape that abortion foes created fueled the GOP s embrace of populism and the rise of Donald Trump Ziegler offers a surprising new view of the slow drift to extremes in American politics and explains how it had everything to do with the strange intersection of right to life politics and campaign spending *Record* ,1982 *We Gather Together* Neil J. Young,2016 Tracing the interactions among evangelicals Catholics and Mormons from the 1950s to the present day *We Gather Together* recasts the story of the emergence of the Religious Right showing that it was not a brilliant political strategy of compromise and coalition building hatched on the eve of a history altering election Rather it was the latest iteration of a much longer religious debate that had been going on for decades Evangelicals Catholics and Mormons found common cause and pursued similar ends in debates about abortion school prayer the Equal Rights Amendment and tax exemptions for religious schools but they were far from a unified bloc cracks in the alliance shaped the movement from the very beginning This provocative book will reshape our understanding of the most important religious and political movement of the last 30 years [The Change Election](#) David Magleby,2011 A thorough assessment of how the 2008 elections were financed and conducted **Developments in administrative law and regulatory practice, 2007-2008** ,2009 **FEC Reports on Financial Activity, 1983-1984** ,1985 *The Roads to Congress 2008* Robert P. Watson,2010-04-13 *The Roads to Congress 2008* offers readers straightfoward and detailed case studies of the campaigns candidates key issues and outcomes of over one dozen of the most important and interesting races of 2008 This includes both House and Senate campaigns contests from all regions of the country and seats held by Democrats and Republicans as well as open seats Every two years the pageantry of American politics unfolds when all 435 seats in the U S House of Representatives and roughly one third of those in the U S Senate are up for election These elections provide voters with an opportunity to evaluate their members of Congress and the institution as a whole They also offer a regular and frequent barometer for the health and practice of American democracy The 2008 election cycle in particular was in many ways one of the most intriguing and pivotal elections in many years and for many reasons which are explored in this book **The Oxford Handbook of Christian Fundamentalism** Andrew Atherstone,David Ceri Jones,2024-01-18 This authoritative volume offers the fullest account to date of Christian fundamentalism its origins in the nineteenth century and its development up to the present day It looks at the movement in global terms and through a number of key subjects and debates in which it is actively engaged *FEC Reports on Financial*

Activity, 1983 **FEC Reports on Financial Activity, 1985-1986**, 1988 **Federal Election Commission V. Wisconsin Right to Life, Inc. (2007)**. United States. Supreme Court, 2007 *FEC Reports on Financial Activity, 1985-1986: Non-party detailed tables (no connected organization, trade*, 1988 *FEC Reports on Financial Activity, 1987-1988*, 1989 *True to Life* Janet Folger, 2011-06-01 The incredible story of a young woman who spoke up for the unborn and found herself in the national spotlight As this desperate battle continues to rage God has placed at its epicenter the most unlikely of persons Janet Folger who used to be afraid to speak period let alone to speak out on abortion But there she was as a young single woman fighting for and winning passage of the nation s first ban on partial birth abortion In the midst of making you laugh Janet energizes you with renewed hope and a creative action plan for success in the human rights movement of our time Battle for Congress David B. Magleby, Kelly D. Patterson, 2015-12-03 Just in time for the coming election year this book looks at the changing of the guard in 2006 and speculates on where the system may be heading in 2008 It provides an in depth examination of the ways in which candidates interest groups and parties perceived their opportunities and allocated their campaign resources during the midterm elections The role of money which was influenced by campaign finance reform is a special focus in this book The theme of political scandal has frequently raised concerns that Republican leadership had become a culture of corruption that had flourished under their watch which is also addressed in this book The war in Iraq however may be the most important factor not only in the 2006 battle for Congress but for the 2008 battle for the White House as well Cincinnati Magazine, 2000-08 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region **National Journal**, 2007 The Abortion Rights Controversy in America N. E. H. Hull, William James Hoffer, Peter Charles Hoffer, 2018-09-25 Beginning with the introduction of abortion law in the nineteenth century this reader includes important documents from nearly two hundred years of debate over abortion These legal briefs oral arguments court opinions newspaper reports opinion pieces and contemporary essays are introduced with headnotes that place them in historical context Chapters cover the birth control movement changes in abortion law in the 1960s Roe v Wade the Hyde Amendment and the Freedom of Access to Clinic Entrances Act state and federal regulation of abortion practices and the freedom of speech cases surrounding anti abortion clinic protests The first section of each chapter sets the stage and explains the choice of documents This rich balanced collection is an indispensable reference tool for the study of one of the most passionate debates in American history It brings together the writings of doctors lawyers scientists philosophers elected officials judges and scholars as few other legal readers do and it is essential reading for those engaged in the ongoing debate about abortion law in the United States
