Going Wide: Self-Publishing Your Books Outside The Amazon Ecosystem M.K. Williams, The buzzy term in the self publishing space right now is wide I was doing this before it was a thing As more authors hear about the benefits of self publishing on multiple platforms I find myself on the receiving end of many panicked emails While the concept is straightforward to understand its execution requires careful planning and patience For those who want to get their book out to as many readers and retailers as possible I have the tools you need to create a plan I've condensed my years of experience and best advice into this concise and actionable book to help you transition from Amazon Only to a Wide Author This book will cover strategy platforms opting out of exclusivity and marketing for success Get your free planners throughout the book to help you make and stick to your plan Ready to go wide
