contemporary geopolitical world **Women Leadership in Emerging Markets** Shireen Chengadu, Caren Scheepers, 2017-07-06 This book focuses on the increase in female leadership over the last fifty years and the concrete benefits and challenges this leads to in organizations It moves beyond the typical focus on developed Western contexts and answers the call for research on how women in emerging markets rise above the proverbial glass ceiling The authors integrate two underdeveloped topics that are highly relevant to modern business women in leadership roles and women in emerging markets They examine how women leaders in a range of professional services including accounting consulting law engineering and medicine have managed to navigate their careers while considering the role emerging markets play in their work Based on cutting edge research the topics are brought to life through examples and profiles of leading women across Africa the Middle East and the Far East These narratives told in the leaders own words are key to understanding women s achievements and the barriers they face Students of leadership diversity gender studies and human resource management will learn much from this insightful book Personation Plots Clayton Carlyle Tarr, 2022-11-01 The first full length study of identity fraud in literature Personation Plots argues that concerns about identity and the body gripped the Victorian consciousness The mid nineteenth century was marked by extensive medico legal efforts to understand the body as the sole signifier of identity The sensation genre which enjoyed remarkable popularity in the 1860s and 1870s at once reflected and challenged this discourse In their frequent representations of identity fraud sensation writers demonstrated that the body could never guarantee a person s identity The body is malleable and untrustworthy and the identity it is supposed to signify is governed by the caprices of the human mind and the growing authority of paper matter Both a wide ranging literary analysis and a portrait of the age Personation Plots reads canonical texts by Wilkie Collins Mary Elizabeth Braddon and Charles Dickens alongside several lesser known sensation novels The study which anticipates debates over biometric identification practices in our own time also features brief criminal biographies of two of the nineteenth century s greatest impostors Alice Grey and Mary Jane Furneaux and concludes with an afterword on imposture in the late Victorian Gothic Reintegrating Severance Nora M. Isacoff, Jennifer Dawes, 2024-07-22 Manifesting the zeitgeist of our post pandemic world Apple TV s Severance probes the margins of work life balance the medicalization of normal human emotions and the turbulence of disinformation resistance and reclamation Fundamentally the series grapples with systemization how we organize and construct our histories art and architecture social orders and bodies and minds Written for both fans and scholars Reintegrating Severance collects fifteen critical essays each offering deep insights into an issue spurred by the series Constructing History explores identity in the context of historical revisionism and corporate mythology Art Agency Autonomy and Alienation dives deep into the political theories that earlier chapters have touched upon finally Multifaceted Bodies and Minds strays from and ultimately finds a way back to the intuitive wisdom and intraconnection of the self **The Permanent Revolution** Alan Hirsch, Tim Catchim, 2012-01-06 A new brand of apostolic ministry for today s world The

Permanent Revolution is a work of theological re imagination and re construction that draws from biblical studies theology organizational theory leadership studies and key social sciences The book elaborates on the apostolic role rooted in the five fold ministry from Ephesians 4 apostles prophets evangelists shepherds and teacher and its significance for the missional movement It explores how the apostolic ministry facilitates ongoing renewal in the life of the church and focuses on leadership in relation to missional innovation and entrepreneurship The authors examine the nature of organization as reframed through the lens of apostolic ministry Shows how to view the world through a biblical perspective and continue the permanent revolution that Jesus started Outlines the essential characteristics of apostolic movement and how to restructure the church and ministry to be more consistent with them Alan Hirsch is a leading voice in the missional movement of the Christian West This groundbreaking book integrates theology sociology and leadership to further define the apostolic movement *Breaking Down Silos for Equity, Diversity, and Inclusion (EDI)* Stephanie L. Burrell Storms, Sarah K.

Donovan, Theodora P. Williams, 2020-02-19 Equity diversity and inclusion EDI goals have traditionally been seen as either an effort to be managed by the administration or as something a faculty member could choose or not to focus on In the twenty first century EDI goals are increasingly front and center across disciplines as educators prepare students for success in a diverse world It is in this milieu that this book was written Each chapter in this book is designed for use by instructors and administrators in higher education who believe that the goals of EDI should be integrated into the classroom experience The chapters are grouped around five central themes that challenge the structure of a traditional classroom in order to promote goals related to EDI faculty collaboration creative approaches to faculty and student resistance to EDI goals institution wide initiatives community engagement and the use of first person autobiography and storytelling in the classroom

Schooling, Childhood, and Bureaucracy T. Waters, 2012-09-24 In exploring the relationship between bureaucratic schooling and the individual child Waters describes the persistence of educational inequality child development and the nature of bureaucracy The conclusions point out how education bureaucracies frame both schooling and childhood as they relentlessly seek to create ever more perfect children **Worlds Apart** Scott Sernau, 2006 The Second Edition of *Worlds Apart Social Inequalities in a Global Economy* focuses primarily on social inequalities in the American context It is the only undergraduate text that provides a sociological framework for analyzing inequality within U S society as well as analyzing the relationship between global stratification systems and internal systems of inequality Author Scott Sernau places each issue and dimension of inequality in the context of a changing global economy *Restoring the Classic in Sociology* Alan R. How, 2016-06-30 This book demonstrates that classical sociology is essential to cutting edge debates in the contemporary social sciences It has become fashionable to play down the importance of the classic text in sociology and critique the ideas of Weber Marx and Durkheim as ideologically outdated The author mounts a strong challenge to this view criticising such notions as de traditionalization structuration and postmodernism emphasizing instead the relevance of habit re

traditionalization and social integration across time Arguing that sociology has eliminated the importance of the past history and tradition in favour of the transience of the present he revisits the Habermas Gadamer debate to argue that tradition is the ground of the classic and the classic something that must prove itself anew in subsequent situations He uses the work of Durkheim Simmel and Weber to illustrate this process Making a distinction between classic and canon which parallels that between agency and structure he allows the reader to appreciate the separate value of both This major contribution to the field is essential reading for scholars and students of sociology and social theory Sociological Theory- Classical Statements Dejerius Burgess,2019-06-04 The basic insight of sociology is that human behaviour is largely shaped by the groups to which people belong and by the social interaction that takes place within those groups The main focus of sociology is the group not the individual Sociologist is mainly interested in the interaction between people the ways in which people act towards respond to and influence one another Sociology does not however study everything that happens in society or under social conditions Classical Sociological Theory continues to include two historical chapters covering the early history of the field as well as its most recent developments These chapters give students an overview that allows them to put the work of each theorist in its historical social and political context This book offers students a handy overview of most of what they need to know about classical sociological theory Research Handbook on Urban Sociology Miguel A. Martínez,2024-04-12 Emphasising the social critical and situated dimensions of the urban this comprehensive Research Handbook presents a unique collection of theoretical and empirical perspectives on urban sociology Bringing together expert contributors from across the world it provides a rich overview and research agenda for contemporary urban sociological scholarship
