The Wishing Game By Patrick Redmond:

Wishing Game Patrick Redmond, 2003-10-06 Kirkston Abbey is no place for the weak. Standing stark against the Norfolk sky, its aim is conformity and control; its rules harsh, its discipline savage. To 14-year-old Jonathan Palmer, it is a prison, a world in which he feels threatened and powerless. When he is offered the chance of escape in the guise of an unexpected friendship, he accepts it gladly. But all is not as it seems. In combining his frustrations with a nature that is far more intense and destructive than his own, Jonathan is unleashing forces more powerful than he can ever hope to control. In the bleak winter term of 1954, something terrible happened at Kirkston Abbey school for boys. Now more than forty years later, journalist Tim Webber thinks he's found the key to uncovering the truth. But is he prepared to live with the consequences? *The Wishing Game* Patrick Redmond, 2013-11-21 In the bleak winter term of 1954, something terrible happens at Kirkston Abbey School for Boys. Forty years later, a journalist hovers near the truth buried long ago by the panicked authorities. Kirkston Abbey is no place for the weak; its rules are harsh and its discipline savage. So the struggling Jonathan Palmer cannot believe his luck when Richard Rokeby, tough, handsome, aloof, befriends him. But Rokeby's possessive friendship is suffocating, and what starts out as an innocent game amongst friends takes a shocking turn as Palmer finds himself powerless to stop Rokeby from unleashing a horrifying fate on them all. A brilliantly clever psychological thriller, *The Wishing Game* launched Redmond to his bestseller status.

Apple of My Eye Patrick Redmond, 2013-11-21 Ronnie Sidney is a perfect child. The illegitimate son of a wartime romance, he gives his mother the unconditional love she so craves. In his mother's eyes, Ronnie is faultless, a ray of sunshine in her grey life. But as cracks begin to creep into Ronnie's facade of youthful charm, a very different character starts to emerge. For Susan Ramsey, life is easy. Cherished by her parents, she knows nothing of hardship or misery. Until a sudden tragedy thrusts her into a dark and disturbing world. When Susan and Ronnie meet, the attraction is instant. Each recognises in the other a long-awaited soul mate. Finally, Ronnie feels able to remove his mask of perfection, with consequences more dreadful than either could possibly have foreseen. With its compelling exploration of psychological power games and emotional violence, *Apple of My Eye* is the mesmerising third novel from the bestselling author of *The Wishing Game* and *The Puppet Show*.

The Replacement Patrick Redmond, 2014-03-20 Everyone envies the Randalls: beautiful, accomplished, and high-flying. Their lives are almost too good to be true. No one envies Stuart. A tough childhood has left him making his way as best he can, vowing to lose a bit more weight and become a bit more successful. But a chance encounter sets in motion a series of events which will shatter everything. Some will think they've lost; others will think they've won, but none of them will be prepared for the final catastrophe of jealousy, betrayal, and agonising justice. They should never have invited Stuart in, and he should never have trusted them. A brilliantly assured psychological thriller that builds tension with such power and conviction, you will feel as if you are there with them fighting for a say. The Puppet Show Patrick Redmond, 2013-11-21 Michael Turner is about to make a big mistake. Having struggled for years to escape the demons of his childhood, an orphan

lost in a maze of institutions and foster homes he is finally happy Now in his early twenties he has a loving fianc e and is taking the first steps in a promising legal career And then he meets Max The father figure that Michael has always craved Max strides into Michael s life realising all the childhood dreams that have lain dormant for so many years But dreams come with a price Despite his supportive exterior Max is plagued by his own demons and is a violently skilled manipulator when it comes to getting exactly what he wants from everyone around him As Michael s fears and vulnerabilities begin to push everyone else away Max sets to work A taut sophisticated and engrossing thriller that will have you turning pages furiously into the night *All She Ever Wanted* Patrick Redmond,2013-11-21 For Tina Ryan falling in love is the worst thing that could ever happen to her Love is a refuge for the weak lonely and needy Once she was like that herself but no longer Recovering from a turbulent tormented childhood she has reinvented herself as Chrissie strong self reliant and firmly in control She is everything she ever wanted to be and nothing will ever be allowed to threaten that But she is also human So when love does force its way into her life leaving her utterly shocked and exposed her new and carefully constructed personality is in peril And nothing can ever be allowed to do that Control must be maintained and feelings must be on her terms No matter how dreadful those terms might be **Children's Literature Review** ,2008 The Spectator ,2000
