THE WORDY SHIPMATES

"Vowell's funny, imaginative
take on musty, buckled-up
Pilgrim notables brings the
era wickedly to life."

—*The Washington Post*

The Wordy Shipmates By Sarah Vowell

Win Green

The Wordy Shipmates By Sarah Vowell:

The Wordy Shipmates Sarah Vowell, 2008-10-07 From the author of *Lafayette in the Somewhat United States* *The Wordy Shipmates* is New York Times bestselling author Sarah Vowell's exploration of the Puritans and their journey to America to become the people of John Winthrop's city upon a hill a shining example a city that cannot be hid To this day America views itself as a Puritan nation but Vowell investigates what that means and what it should mean What was this great political enterprise all about Who were these people who are considered the philosophical spiritual and moral ancestors of our nation What Vowell discovers is something far different from what their uptight shoe buckles and corn reputation might suggest The people she finds are highly literate deeply principled and surprisingly feisty Their story is filled with pamphlet feuds witty courtroom dramas and bloody vengeance Along the way she asks Was Massachusetts Bay Colony governor John Winthrop a communitarian a Christlike Christian or conformity's tyrannical enforcer Answer Yes Was Rhode Island's architect Roger Williams America's founding freak or the father of the First Amendment Same difference What does it take to get that jezebel Anne Hutchinson to shut up A hatchet What was the Puritans' pet name for the Pope The Great Whore of Babylon Sarah Vowell's special brand of armchair history makes the bizarre and esoteric fascinatingly relevant and fun She takes us from the modern day reenactment of an Indian massacre to the Mohegan Sun casino from old timey Puritan poetry where righteousness is rhymed with wilderness to a Mayflower themed waterslide Throughout *The Wordy Shipmates* is rich in historical fact humorous insight and social commentary by one of America's most celebrated voices Thou shalt enjoy it

Invisible and Voiceless Martha Caso, 2011-02-24 *INVISIBLE VOICELESS* The Struggle of Mexican Americans for Recognition Justice and Equality traces the vicious history of the European conquest of the Americas and examines its pervasive impact on Mexican Americans and Mexican immigrants today Author Martha Caso sheds light on events often ignored or glossed over by history textbooks from the holocaust and enslavement of native peoples at the hands of European conquerors to the Mexican American War of 1848 to modern efforts by extremists to fan the flames of racism and xenophobia The reverberations of the European invasion still echo today and it is impossible to understand the current issues of poverty and racism without understanding their origins Historically Mexican Americans have wielded very little social and political power and recent xenophobic laws only serve to stoke the fires of hatred and antagonism and further erode their rights *INVISIBLE VOICELESS* offers Mexican Americans an opportunity to learn more about their history and their relationship with the United States and Mexico Casos hope is that once they understand their past Mexican Americans will find their collective voice and stand up for their rights that they will cease to be invisible and voiceless in America Character Counts Michael Glenn Maness, 2010-12 iPad: The Missing Manual J.D. Biersdorfer, 2013-11-13 Super fast processors streamlined Internet access and free productivity and entertainment apps make Apple's new iPads the hottest tablets around But to get the most from them you need an owner's manual up to the task That's where this bestselling guide comes in You'll quickly

Streeter,2012-02

Good fences make good neighbors comes from Robert Frost s poem Mending Walls which relates to traditions and rituals antedating the Romans The god of boundaries which they named Terminus was not invented by the Romans but he became one of their important household gods Annually Terminus was honored in a ritual which not only reaffirmed boundaries but which also provided the occasion for predetermined traditional festivities among neighbors Joseph S. Harris and the U.S. Northwest Boundary Survey, 1857-1861 Anne P. Streeter,2012

Precis of Joseph S Harris In 1857 twenty year old Joseph Harris joins the U S Northwest Boundary Commission whose assignment was to define the boundary between the United States and British Canada As an astronomer and surveyor he has been trained by the U S Coast Survey to use the new Zenith telescope and the new Talcott method of astronomical surveying In over 200 letters to his family and in his Autobiography he describes the task of surveying 410 miles along the 49th parallel from the Gulf of Georgia to the crest of the Rocky Mountains In accomplishing this Harris describes the political difficulties of working with a parallel British Commission of the outbreak of the Pig War and of working with local Native Americans The Survey team astronomically surveys an uncharted wilderness crossing both the Cascade and Rocky Mountains With their recalcitrant mules they not only negotiate steep mountains and cross dangerous rivers but they also cut a 20 foot swath through much of this wilderness connecting 14 astronomical stations After three years the field work has to be rushed to a finish because Congress would approve no more appropriations now the Civil War had started Since the Official Report was lost this account stands as the only record of this important Survey Roger Williams's Little Book Of Virtues Becky Garrison,2020-03-01

In Roger Williams s Little Book of Virtues religion writer Becky Garrison delves into the life of her eleventh twelfth great grandfather to uncover the untold story behind this forgotten pioneer of religious liberty Employing a format reminiscent of How Proust Can Change Your Life and The Little Book of Atheist Spirituality Garrison examines Roger Williams s work through the lens of the four classical virtues which as she observes define values that have an almost universal consensus regardless of one s particular belief system How can Roger Williams s life and ministry shed light on the role of the citizens in a global pluralized world Garrison asks why this conversation focusing on the role of religion in public life got relegated to moralists like William

J Bennett who crafted a fundamentalist rulebook that views these virtues through a very strict black and white lens In this age of horizontal social media what prevents people from standing up to these modern day Goliaths and taking away their media megaphone Here Garrison sees hope in the rise of the nones who like Williams follow their own spiritual path and create spaces that embrace women POC LGBT folks and others marginalized by the institutional church *Women's Rights and the Bible* Richard H. Hiers,2012-05-03 In this volume Richard Hiers challenges the popular assumption that the Bible has a low view of women and that biblical law either ignores women or requires them to be subject and subservient to men He does so by identifying and carefully examining hundreds of biblical texts and allowing them to speak for themselves Among the findings that biblical tradition generally represents women positively as strong and independent persons that no text represents wives as subject to their husbands and that no biblical law requires such subjection that biblical laws provide many protections for women s rights and interests in several instances rights equal to those enjoyed by men The book focuses particularly on the Old Testament and Old Testament law and argues that Old Testament laws and their underlying values provide important resources for Christian ethics and social policy today The Ten Loves of God Win Green,2011-03 Surveys show that many today have a deep hunger for God Win s book speaks directly and clearly to this spiritual condition It will clarify and buttress your faith George Gallup Jr pollster author and founding chairman The George H Gallup International Institute With clear prose and compelling insight The Ten Loves of God takes the reader into the very heart of God s perfect plan for our lives Yolanda Pierce associate professor Princeton Theological Seminary Moses received God s Ten Commandments atop a mountain and ever since they ve served as the moral spiritual foundation for the Judeo Christian world But are they still relevant in today s high tech religiously diverse sexually aggressive world Of course they are In this book The Ten Loves of God Win Green celebrates the gift that each command offers When Faith Storms the Public Square Kendall Clark Baker,2011-07-29 To some the notion of mixing religious groups and community organizing may seem a pleasing prospect an idea long overdue To others it may be anathema Like it or not however this blending is a reality that has been forged in streets and meeting halls day by day from the very beginnings of our country to the present day touchstones of President Barack Obama Religion and the State Natalie Goldstein,2010 Presents a guide to the issues related to religion and the state including definitions primary sources important documents research tools organizations and notable persons *Who Invented Oscar Wilde?* David Newhoff,2020-11-01 In early 1882 before young Oscar Wilde embarked on his lecture tour across America he posed for publicity photos taken by a famously eccentric New York photographer named Napoleon Sarony Few would guess that one of those photographs would become the subject of the Supreme Court case that challenged copyright protection for all photography a constitutional question that asked how a machine made image could possibly be a work of human creativity Who Invented Oscar Wilde is a story about the nature of authorship and the convenient fiction we call copyright While a seemingly obscure topic copyright has been a hotly contested issue almost since

the day the internet became publicly accessible The presumed obsolescence of authorial rights in this age of abundant access has fueled a debate that reaches far beyond the question of compensation for authors of works Much of the literature on the subject is either highly academic highly critical of copyright or both With a light and balanced touch David Newhoff makes a case for intellectual property law tracing the concept of authorship from copyright s ancient beginnings to its adoption in American culture to its eventual confrontation with photography and its relevance in the digital age Newhoff tells a little known story that will appeal to a broad spectrum of interests while making an argument that copyright is an essential ingredient to upholding the principles on which liberal democracy is founded

Off the Beaten Page Terri Peterson Smith,2013-05-01 Blending literature and travel this book offers a look at 15 U S destinations featured in the works of famous writers Designed as a guide to help avid bibliophiles experience in person the places they ve only read about award winning journalist Terri Peterson Smith takes readers on lively tours that include a Mark Twain inspired steamboat cruise on the Mississippi a Devil in the White City view of Chicago in the Gilded Age a voyage through the footsteps of the immigrants and iconoclasts of San Francisco and a look at low country Charleston s rich literary tradition With advice on planning stress free group travel and lit trip tips for novices this resource also features beyond the book experiences such as Broadway shows Segway tours and kayaking making it a one of a kind reference for anyone who wants to extend the experience of a great read

Weak Nationalisms Douglas Dowland,2019-07-01 The question What is America has taken on new urgency Weak Nationalisms explores the emotional dynamics behind that question by examining how a range of authors have attempted to answer it through nonfiction since the Second World War revealing the complex and dynamic ways in which affects shape the literary construction of everyday experience in the United States Douglas Dowland studies these attempts to define the nation in an eclectic selection of texts from writers such as Simone de Beauvoir John Steinbeck Charles Kuralt Jane Smiley and Sarah Vowell Each of these texts makes use of synecdoche and Weak Nationalisms shows how this rhetorical technique is variously driven by affects including curiosity discontent hopefulness and incredulity In exploring the function of synecdoche in the creative construction of the United States Dowland draws attention to the evocative politics and literary richness of nationalism and connects critical literary practices to broader discussions involving affect theory and cultural representation

Don't Forget to Write for the Secondary Grades 826 National,2011-10-03 Fantastic strategies for getting high school students excited about writing This book offers 50 creative writing lesson plans from the imaginative and highly acclaimed 826 National writing labs Created as a resource to reach all students even those most resistant to creative writing the off beat and attention grabbing lessons include such gems as Literary Facebooks where students create a mock Facebook profile based on their favorite literary character as well as highly practical lessons like the College Application Essay Boot Camp These writing lessons are written by experts and favorite novelists actors and other entertainers pitched in too Road tested lessons from a stellar national writing lab Inventive and unique lessons that will appeal to even the most

difficult to reach students Includes a chart linking lessons to the Common Core State Standards 826 National is an organization committed to supporting teachers publishing student work and offering services for English language learners

Paradise Lust Brook Wilensky-Lanford, 2011-08-02 A certainly weird strangely wonderful and often irresistible search to find the real Garden of Eden The New York Times Book Review Where precisely was God's Paradise St Augustine had a theory So did medieval monks John Calvin and Christopher Columbus But when Darwin's theory of evolution changed our understanding of human origins shouldn't the desire to put a literal Eden on the map have faded away Not so fast This gloriously researched pluckily written historical and anecdotal essay of humankind's age old quixotic quest for the exact location of the Biblical garden Elle explores an obsession that has consumed scientists and theologians alike for centuries To this day the search continues taken up by amateur explorers clergymen scholars engineers and educators romantic seekers all who started with the same simple sounding Bible verses only to end up at a different spot on the globe Sri Lanka the Seychelles the North Pole Mesopotamia China Iraq and Ohio Inspired by an Eden seeker in her own family Wilensky Lanford approaches her subjects with respect enthusiasm and conscientious research San Francisco Chronicle as she traverses a century spanning history provoking surprising insights into where we came from what we did wrong and where we go from here And it all makes for a lively journey Kirkus Reviews

Friend Me! Francesca Davis DiPiazza, 2017-01-01 Audisee eBooks with Audio combine professional narration and sentence highlighting for an engaging read aloud experience Anyone who texts recognizes LOL 2G2BT and PRW as shorthand for laughing out loud too good to be true and parents are watching But did you know that in the 1800s when your great great great grandparents were alive telegraph operators used similar abbreviations in telegrams For example GM SFD and GA meant good morning stop for dinner and go ahead At the time telegrams were a new and superfast way for people to network with others Social networking isn't a new idea People have been connecting in different versions of circles and lists and groups for centuries The broad range of social media includes wampum belts printed broadsides early newspapers ring shouts secret slave gatherings with singing and dancing calling cards telegrams and telephones The invention of the Internet and e mail text messaging and social utilities such as Facebook and Google is just the latest way in which humans network for fun work romance spiritual bonding and many other reasons Friend Me takes readers through the amazing history of social networking in the United States from early Native American councils to California's Allen Telescope Array ATA where researchers are hoping to interact with extraterrestrial beings Learn how Americans have been connecting in imaginative ways throughout history and you'll see social networking in a whole new light

The Progressive Miseducation of America Corey Miller, 2025-10-14 If You Want to Change the World Change the University Our culture is undergoing radical change We see evidence of this cultural revolution all around us as values norms language and laws all shift beneath our feet But this revolution didn't come out of nowhere and it isn't too late to stop it The Progressive Miseducation of America is an eye opening look at how our universities have polluted the cultural

landscape we live in today and how Christians can take strategic actions in response As a dedicated student of culture and revolutionary history Corey Miller brings clear insights and actionable ideas to help you understand and defend against ideas subversive to the Christian faith further the Christian life and worldview through intentional methods of being salt and light inspire change not only within your family and church but in the broader culture Sobering yet optimistic this bold and inspiring resource will equip you to take concrete steps in making the largest and most sustainable difference in both your community and the world *Moral Apologetics for Contemporary Christians* Mark Coppenger, Mark T. Coppenger, 2011 A respected Christian apologist thoughtfully pushes back against critics of the faith as well as cultural relativists arguing that Christianity is morally superior to its competitors and above all true **An Indigenous Peoples' History of the United States (10th Anniversary Edition)** Roxanne Dunbar-Ortiz, 2023-10-03 New York Times Bestseller This American Book Award winning title about Native American struggle and resistance radically reframes more than 400 years of US history A New York Times Bestseller and the basis for the HBO docu series *Extinct* directed by Raoul Peck this 10th anniversary edition of *An Indigenous Peoples History of the United States* includes both a new foreword by Peck and a new introduction by Roxanne Dunbar Ortiz Unflinchingly honest about the brutality of this nation's founding and its legacy of settler colonialism and genocide the impact of Roxanne Dunbar Ortiz's 2014 book is profound This classic is revisited with new material that takes an incisive look at the post Obama era from the war in Afghanistan to Charlottesville's white supremacy fueled rallies and from the onset of the pandemic to the election of President Biden Writing from the perspective of the peoples displaced by Europeans and their white descendants she centers Indigenous voices over the course of four centuries tracing their perseverance against policies intended to obliterate them Today in the United States there are more than five hundred federally recognized Indigenous nations comprising nearly three million people descendants of the fifteen million Native people who once inhabited this land The centuries long genocidal program of the US settler colonial regimen has largely been omitted from history With a new foreword from Raoul Peck and a new introduction from Dunbar Ortiz this classic bottom up peoples history explodes the silences that have haunted our national narrative Big Concept Myths That America's founding was a revolution against colonial powers in pursuit of freedom from tyranny That Native people were passive didn't resist and no longer exist That the US is a nation of immigrants as opposed to having a racist settler colonial history
