A Companion to Javier Marías David K. Herzberger, 2011

This book provides the most comprehensive study to date of the full range of Marías writing including discussion and analysis of his literary and intellectual formation his development as a novelist and short story writer and his unique perspective offered in nearly twenty five years of newspaper columns on topics ranging from religion to football Above all Marías is examined as a writer of fictions As a translator of several canonical works from English to Spanish Marías came to appreciate the preciseness of words as well as their ambiguity their capacity to represent as well as their propensity to distort The author examines Marías s constant awareness of how language can be used to construct stories as the foundation for engaging the world as well as for imagining it The nature of Marías s storytelling and the way in which he imagines form the principal focus of this Companion Publisher description Post-totalitarian Spanish Fiction Robert C. Spires, 1996 This study

records an epistemic shift away from logocentric and totalizing approaches to reality by analyzing the links between the novelistic strategies used by Spanish writers from 1975 to 1989 and recent international events and theoretical trends in science mathematics communication studies and art *Todas las almas* Javier Marías, Elide Pittarello, 2006 The Fictional World of Javier Marías Marta Pérez-Carbonell, 2016-06-21 The Fictional World of Javier Marías offers a fresh perspective on the narrative universe of one of Spain's most distinguished contemporary authors In order to establish the origin and meaning of uncertainty in his fiction this book presents interpretations of a range of issues inherent to Marías's canon in particular those related to the nature of language With the relationship between language and uncertainty at its heart this study considers the use of foreign languages translation and the effect of silence through an analysis of *Todas las almas* 1989 *Corazón tan blanco* 1992 *Mañana en la batalla piensa en mí* 1994 and *Tu rostro mañana* 2002 2007 *La novela española actual* Alfonso de Toro, Dieter Ingenschay, 1995 **Translation, Language, and the Original Voice in Javier Marías' *Todas Las Almas* and *Corazón Tan Blanco*** Emily Ann Davis, 2008 **Coming into one's Own** Alexis Grohmann, 2022-06-13 Javier Marías is a major contemporary Spanish novelist who has enjoyed remarkable international success and recognition He is a writer who has undergone a singular and clearly discernible novelistic evolution and has forged a very distinctive style of his own It is this formal development that this book traces through a study of his works from *Los dominios del lobo* 1971 to *Negra espalda del tiempo* 1998 With the help of a wide range of 20th century literary theories and criticism it strives to show that in order to escape realism and Spanishness and to make his way into literature Marías forges an intricate style which progressively develops and matures and which creates highly suggestive and elaborate imaginative worlds a literature with a particular ontology ultimately capable of inventing reality This book is the first full length study of Javier Marías's work to be published so far and serves both as an introduction to and a close examination of the work of a major European writer Estudios de literatura del mundo hispánico y del mundo anglosajón José Manuel Correoso Rodenas, Rafael Massanet Rodríguez, Julio Salvador Salvador, Alain Íñiguez Egido, Miriam García Villalba, 2025-03-17 For centuries the English and Spanish speaking communities have enjoyed a remarkable cultural exchange which has resulted in literary creations reflecting a shared reality This volume explores these relationships The contributions collected here constitute a milestone in the joint appreciation of two of the richest literary traditions in the Western world **TODAS LAS ALMAS/ ALL SOULS. A Companion to the Twentieth-century Spanish

Novel Marta E. Altisent, 2008 The Spanish novel in a turbulent century This collection of studies by eighteen prominent theorists and critics offers a diverse panorama of the modern Spanish novel seen through the prism of Spain's recent political, cultural and ideological history. It considers the development of the novel as a social mirror and as a changing literary form torn between the tradition of stern realism and the aesthetics of rupture affecting all Western literature from the Avant Garde to the Postmodern age. While some essays emphasise the Spanish cultural context and canonical writers others are of a broader nature grouping lesser known writers under certain literary tendencies: the metaphysical novel, the urban novel, recuperative accounts of the Civil War, feminine first person narrations and the rise of the popular detective, historical and erotic novels. Three studies address the resurgence of the Catalan, Basque and Galician novel and their departure from a poetics of identity to one of global concerns. Interdisciplinary approaches address the reciprocal impacts of literature and cinema and the effects of the marketplace on the consumption of fiction are not forgotten. The Companion provides ample bibliographies and a valuable chronology while all titles and quotations are translated into English. Contributors: Marta E. Concise Dictionary of Foreign Quotations Anthony Lejeune, 2018-10-24 Here is the answer for anyone who comes across a foreign language quotation in a newspaper article or a book and isn't quite sure what it means. Here are famous sayings in five European languages: Latin, French, German, Italian and Spanish, accompanied by their translations into English and cross indexed for easy reference. Just what did Mussolini say about making the trains run on time? Did Marie Antoinette really tell the poor to eat cake? Concise Dictionary of Foreign Quotations includes more than 3,000 entries chosen by five editors, each one widely read in the language concerned. The majority of entries were included because they are familiar: those an English reader would be most likely to encounter. Literary quotations, political quotations, poetic thoughts, pungent comments, polished epigrams, shrewd perceptions by everyone from Cicero to Sartre, from Michelangelo to Picasso. **Javier Marías. El estilo sin sosiego** Vila Sánchez, José Antonio, 2020 Este libro es un proyecto original, ambicioso y riguroso que analiza el contexto histórico y estilístico en el que se sitúa la complejidad de la escritura literaria de Javier Marías. Se centra en los años formativos del novelista y propone una reconstrucción de los elementos genéticos de su poética literaria. De ahí que se estudie el campo literario español de los años finales del franquismo y se muestre cómo las obras del autor en ese tiempo son una consecuencia y a la vez una reacción a las transformaciones que se vivieron en España. El análisis de las novelas de Javier Marías permite constatar cómo en su obra se armonizan elementos eminentemente narrativos con el rigor estilístico propio de la alta literatura, dando lugar a la poética integradora que ha definido su obra de madurez. **Twentieth-century Spanish Fiction Writers** Martha Eulalia Altisent, Cristina Martínez-Carazo, 2006 Essays on a variety of Spanish authors who shaped the

development of Spanish fiction in the twentieth century Entries focus on the interconnections between life and writing and trace the writers personal response to the cultural intellectual and political concerns of the day as well as to the traditions and literary styles that shaped their imagination Provides a condensed assessment of the authors aesthetic and personal preferences as shown through their writings *True Lies* Samuel Amago,2006 Rosa Montero metafiction literary cannibalism and the construction of personal identity Mapping the storied self consciousness and cartography in the fiction of Juan Jose Millas Narrative schizophrenia and the anxiety of influence in the novels of Nuria Amat Indeterminacy for indeterminacy s sake textual narcissism and the fiction of Javier Mar as Narrative truth and historical truth in Javier Cercas s *Soldados de Salamina* Carlos Canque turns metafiction against Itself Spanishness in the Spanish Novel and Cinema of the 20th - 21st Century Cristina Sánchez-Conejero,2009-10-02 Spanishness in the Spanish Novel and Cinema of the 20th 21st Century is an exploration of the general concept of Spanishness as all things related to Spain specifically as the multiple meanings of Spanishness and the different ways of being Spanish are depicted in 20th 21st century literary and cinematic fiction of Spain This book also represents a call for a re evaluation of what being Spanish means not just in post Franco Spain but also in the Spain of the new millennium The reader will find treatments of some of the crucial themes in Spanish culture such as immigration nationalisms and affiliation with the European Union as well as many others of contemporary relevance such as time memory and women studies that defy exclusivist and clear cut single notions of Spanishness These explorations will help contextualize what it means to be Spanish in present day Spain and in the light of globalization while also dissipating stereotypical notions of Spain and Spanishness
