"*Typical American* is indeed an American story, and Gish Jen's extremely  
excellent, thoughtfully funny, truly heartwarming novel is perhaps the best  
story of contemporary immigrant experience ever to grace our literature."  
— Joyce Anne Phillips

"A wonderfully thoughtful roller coaster ride to the dark heart of the American  
dream, compounded by heartwarming humor and exhilarating tragedy, it rings  
true as the stories our own relatives would recite in hushed tones around the  
dining-table." — David Henry Huang

## **Typical American By Gish Jen:**

**Typical American** Gish Jen, 2014-11-11 This irresistible novel of Chinese immigrants navigating the American dream is startling and heartrending without ever losing its comic touch Entertainment Weekly Gish Jen reinvents the American immigrant story through the Chang family who first come to the United States with no intention of staying But when the Communists assume control of China in 1949 Ralph Chang his sister Theresa and his wife Helen find themselves in a crisis struggling to cling to their old world ideas of themselves But soon they begin to dream the American dream of self invention They transform poignantly and ironically from people who disparage all that is typical American to people who aspire to the American ideal With droll humor and a deep empathy for her characters Gish Jen creates a superbly engrossing story that sparkles with wit while challenging the reader to reconsider what it means to be a typical American No paraphrase could capture the intelligence of Gish Jen's prose its epigrammatic sweep and swiftness The author just keeps coming at you line after stunning line The New York Times Book Review

*Companion to Asian American Literature* King-Kok Cheung, 1997 A survey of Asian American literature      Encyclopedia of Asian-American Literature Seiwoong Oh, 2015-04-22 Presents a reference on Asian American literature providing profiles of Asian American writers and their works      Race, Modernity, Postmodernity W. Lawrence Hogue, 1996-10-03 Reads and interprets eight works of literature by people of color foregrounding the philosophical debate about modernity vs postmodernity rather than solely issues of race      **Understanding Gish Jen** Jennifer Ann Ho, 2015-11-30 Jennifer Ann Ho introduces readers to a typical American writer Gish Jen the author of four novels *Typical American* *Mona in the Promised Land* *The Love Wife* and *World and Town* a collection of short stories *Who's Irish* and a collection of lectures *Tiger Writing* *Art Culture and the Interdependent Self* Jen writes with an engaging sardonic and imaginative voice illuminating themes common to the American experience immigration assimilation individualism the freedom to choose one's path in life and the complicated relationships that we have with our families and our communities A second generation Chinese American Jen is widely recognized as an important American literary voice at once accessible philosophical and thought provoking In addition to her novels she has published widely in periodicals such as the *New Yorker* *Atlantic Monthly* and *Yale Review* Ho traces the evolution of Jen's career her themes and the development of her narrative voice In the process she shows why Jen's observations about life in the United States though revealed through the perspectives of her Asian American and Asian immigrant characters resonate with a variety of audiences who find themselves reflected in Jen's accounts of love grief desire disappointment and the general domestic experiences that shape all our lives Following a brief biographical sketch Ho examines each of Jen's major works showing how she traces the transformation of immigrant dreams into mundane life explores the limits of self identification and characterizes problems of cross national communication alongside the universal problems of aging and generational conflict Looking beyond Jen's fiction work a final chapter examines her essays and her concerns and stature as a public intellectual and detailed primary and secondary bibliographies provide a valuable point of departure for both teaching and future scholarship      **Imagining the Nation** David Leiwei Li, 1998 This book identifies the forces behind the explosive growth in Asian American literature It charts its emergence and explores both the unique place of Asian Americans in American culture and what that place says about the way Americanness is defined      *Asian-American Writers* Harold Bloom, 2009 Presents critical perspectives on the works of Asian American writers including Gish Jen Cheng rae Lee and Maxine Hong Kingston      **Chinese American Literature Since the 1850s** Xiao-huang Yin, 2000 This volume an introduction and guide to the field traces the origins and development of a body of literature written in English and in Chinese      Marcia Muller and the Female Private Eye Alexander N. Howe, Christine A. Jackson, 2014-11-01 In 1977 Marcia Muller invaded the all male domain of detective literature and within a decade was established as the mother of the female hardboiled private eye She is now the author of four detective series including the critically acclaimed Sharon McCone series of more than two dozen novels This collection critically assesses Marcia Muller's writing and reevaluates current critical

views on women's detective fiction in general. In the first two of the book's three sections, essays explore Muller's engagement with modern and postmodern feminism, ethnicity, and the socially underprivileged. The third section focuses on one of Muller's major themes: the trauma of history. Drawing from the feminist, historicist, mythic, psychoanalytic, and cultural approaches found in all three sections, the conclusion offers a panoramic perspective on Muller's accomplishments.

**Orientalism and Reverse Orientalism in Literature and Film** Sharmani Patricia Gabriel, Bernard Wilson, 2021-06-17  
Acknowledging the significance of Edward Said's *Orientalism* for contemporary discourse, the contributors to this volume deconstruct, rearrange, and challenge elements of his thesis, looking at the new conditions and opportunities offered by globalization. What can a renewed or reconceptualized *Orientalism* teach us about the force and limits of our racial imaginary, specifically in relation to various national contexts? In what ways, for example, considering our greater cross-cultural interaction, have clichés and stereotypes undergone a metamorphosis in contemporary societies and cultures? Theoretically and empirically, this book offers an expansive range of contexts, comprising the insights, analytical positions, and perspectives of a transnational team of scholars of comparative literature and literary and cultural studies based in Australia, Hong Kong, Japan, Malaysia, USA, Singapore, Taiwan, and Turkey. Working with, through, and beyond *Orientalism*, they examine a variety of cultural texts, including the novel, short story, poetry, film, graphic memoir, social thought, and life writing. Making connections across centuries and continents, they articulate cultural representation and discourse through multiple approaches, including critical content analysis, historical contextualization, postcolonial theory, gender theory, performativity, intertextuality, and intersectionality. Given its unique approach, this book will be essential reading for scholars of literary theory, film studies, and Asian studies, as well as for those with a general interest in postcolonial literature and film.

**The Pleasures and Horrors of Eating** Marion Gymnich, 2010-09-15  
Browsing through books and TV channels, we find people preoccupied with eating, cooking, and competing with chefs. Eating and food in today's media have become a form of entertainment and art. A survey of literary history and culture shows to what extent eating used to be closely related to all areas of human life: to religion, eroticism, and even to death. In this volume, early modern ideas of feasting, banqueting, and culinary pleasures are juxtaposed with post-18th and 19th-century concepts in which the intake of food is increasingly subjected to moral, theological, and economic reservations. In a wide range of essays, various images, rhetorics, and poetics of plenty are not only contrasted with the horrors of gluttony; they are also seen in the context of modern phenomena such as the anorexic body or the gourmandizing *bête humaine*. It is this vexing binary approach to eating and food which this volume traces within a wide chronological framework and which is at the core not only of literature, art, and film, but also of a flourishing popular culture.

*Ethics through Corporate Strategy* Daniel R. Gilbert, 1996-09-19  
*Ethics Through Corporate Strategy* is a daring challenge to anyone who uses the customary language of business in America. It is daring because Daniel Gilbert argues that we should discard two popular ways of linking business and ethics. It is challenging because Gilbert proceeds from the premise that

everyone who uses a language of business is responsible for the ethical implications of that way of talking This work is one demonstration of how we can relocate conversations about business in the larger conversation that we know as liberal education
