Opere di Giovanni Papini Giovanni Papini, 1941 Opere di Giovanni Papini Giovanni Papini, 1943 Un uomo finito, di Giovanni Papini. 10a edizione Giovanni Papini, 1920 **Mircea Eliade: Autobiography** Mircea Eliade, 2024-05-31 Here finally are Eliade s memoirs of the first thirty years of his life in Mac Linscott Rickett s crisp and lucid English translation They present a fascinating account of the early development of a Renaissance talent expressed in everything from daily and periodical journalism realistic and fantastic fiction and general nonfiction works to distinguished contributions to the history of religions Autobiography follows an apparently amazingly candid report of this remarkable man s progression from a mischievous street urchin and literary prodigy through his various love affairs a decisive and traumatic Indian sojourn and active brilliant participation in pre World War II Romanian cultural life Seymour Cain Religious Studies Review **The Failure - Giovanni Papini** Giovanni Papini, 2025-07-30 The Failure is a provocative introspection into the human psyche creative ambition and the existential crisis of the modern intellectual Giovanni Papini constructs a narrative centered on the fictional memoir of a man who after years of aspiring to greatness in art literature and philosophy concludes his life as a failure Set against the cultural backdrop of early 20th century Italy the work explores the tension between lofty ideals and harsh realities highlighting the disillusionment that often accompanies the pursuit of genius Through the protagonist s confessional voice Papini examines themes such as identity self deception pride and the unrelenting desire for recognition The novel serves as both a psychological study and a biting critique of the literary and artistic establishment Papini dismantles the myth of the triumphant artist replacing it with a portrait of vulnerability missed opportunities and bitter self awareness Since its publication The Failure has intrigued readers for its raw honesty and philosophical depth Its meditation on success mediocrity and the limits of human potential resonates beyond its historical context offering a timeless reflection on the cost of personal aspiration By challenging the romanticized notion of the heroic creator Papini s work invites a deeper understanding of the emotional and intellectual toll of striving for greatness in an indifferent world **The Failure (Un**

Uomo Finito) Giovanni Papini, 2010-04-01 An autobiographical novel serving as a vestibule to the Life of Christ Translated by Virginia Pope Mephistopheles Jeffrey Burton Russell, 1990 An excellent and important intellectual history Library Journal Using examples from theology philosophy art literature and popular culture Russell describes the great changes effected in our idea of the Devil by the intellectual and cultural developments of modern times Mephistopheles is the fourth and final volume of Jeffrey Burton Russell's critically acclaimed history of the concept of the Devil The series constitutes the most complete historical study ever made of the figure called the second most famous personage in Christianity In the first three volumes the author brought the history of Christian diabolology to the end of the Middle Ages This volume continues the story from the Reformation to the present tracing the fragmentation of the tradition **The Modern Italian Novel**

Domenico Vittorini, 2016-11-11 This volume offers a complete survey and bibliography of Italian literature from 1827 to 1930 giving its three stages of development historical naturalistic reflective Transnational Modernity and the Italian Reinvention of Walt Whitman, 1870-1945 Caterina Bernardini, 2021-07-15 This study gauges the effects that Walt Whitman's poetry had in Italy in the period from 1870 to 1945 the reactions it provoked the aesthetic and political agendas it came to sponsor and the creative responses it facilitated But it also investigates the contexts and causes of Whitman's success abroad in the lives backgrounds beliefs and imaginations of the people who encountered it Ultimately it chronicles the evolution of a literature intent on regenerating itself and moving toward modernity Bernardini gives particular attention to women writers and noncanonical writers often excluded from previous discussions of Whitman's Italian reception The book is grounded in archival studies and examination of primary documents which led to a series of noteworthy discoveries While the main focus is on the Italian literary scene the history of the reception retraced here is constantly evaluated in relation to other cultures that were also intent in those same years on reading and recreating Whitman Studying Whitman's reception from a transnational perspective shows how many countries were simultaneously carving out a new modernity in literature and culture In this sense Bernardini not only shows the interconnectedness of various international agents in understanding and contributing to the spread of Whitman's work but more largely a constellation of similar pre modernist and modernist sensibilities This stands in contrast to the notion of sudden innovation modernity was not easy to achieve and most of all it did not imply a complete refusal of tradition Instead a continuous and fruitful negotiation between tradition and innovation and not a sudden break with the literary past is at the very heart of the Italian and transnational reception of Whitman

Un uomo finito Giovanni Papini, 1994 **The Italian Pragmatists** Giovanni Maddalena, Giovanni Tuzet, 2020-10-12 The Italian Pragmatists were a group of philosophers in the early 20th century most notably including Giovanni Vailati Mario Calderoni Giovanni Papini and Giuseppe Prezzolini They gathered around the journal Leonardo published in Florence The Italian philosophers were in contact with the American Pragmatists especially with C S V Peirce and W James and developed many original and provocative ideas that made the Italian Pragmatists allies and enemies Critics have often stressed the

differences between their versions of Pragmatism This volume emphasizes what they shared and their value for philosophy and culture **The Search for Neofascism** A. James Gregor,2006-03-27 Publisher description *The Archetype of the Devil in Twentieth Century Literature* Patricia Lou Kubis,1976 *Encyclopedia of Italian Literary Studies: A-J* Gaetana Marrone,2007 Publisher description *Giuseppe Mazzini and the Origins of Fascism* Simon Levis Sullam,2015-10-21 This controversial and groundbreaking study proposes a compelling reinterpretation of the political thought of one Italy's founding fathers Giuseppe Mazzini 1805-1872 and in the process suggests a new approach to understanding the origins of fascist ideology **Mina Loy's Critical Modernism** Laura Scuriatti,2019-04-22 This volume argues that Loy's corpus of works produces a kind of critical modernism the author makes the case that Loy's corpus exhibits a skeptical detached attitude towards its own simultaneous celebration and criticism of modernist aesthetic paradigms The author provides a new in depth investigation of specific aspects of the Florentine and Italian context in particular which have so far been neglected by scholarship The volume presents new insights into Loy's feminism and argues that her texts respond to the rewriting of Otto Weininger's then widely influential theories in the magazine *Lacerba* It shows that Loy's texts present dialogic narratable eccentric selves and subjectivities which create uncomfortable critical spaces within modernism as a broad movement **Researching the Song:A Lexicon** Shirlee Emmons,Wilbur Watkins Lewis,2006 Contains more than 2 000 entries that supply information on the mythological historical geographical and literary references contained in western art song This lexicon helps singers and accompanists enhance their performances of songs by providing them with the background on the many references embedded in this vast repertoire
