Haywood sure is improving like a fine wine. This story simply gets better and better. Once again the subplots weave around one another coming together with quality timing. Each time I finish reading I'm exhausted, overjoyed, anxious, and fearful of what's coming next. Brilliant writing from start to end. Well done RR Haywood, please do not stop doing what you are doing. This has been the best zombie series I've read. I cannot begin to describe how exciting and spellbinding. The Undead series is I just want to keep getting lost in the story. I like zombie books a lot. But the character development, the humour, the action, and the banter in this series make it the best I have ever read.
