Vanished In The Night By Eileen Carr:

Vanished in the Night Eileen Carr, 2011-07-26 She doesn't trust cops Veronica Osborne has had enough problems with the police thanks to her volatile father So when tall strapping Sergeant Zach McKnight shows up at her door she's prepared for anything except the news that her beloved missing brother Max has been dead for nearly twenty years ever since he ran away until she meets one who'd risk everything to protect her Appalled when the police suspect her father of Max's murder Veronica begins her own investigation But as her surprising role in her brother's disappearance surfaces so do more bodies The ghosts of Max's past are working hard to hide the truth while another more sinister force will do anything to expose it How far will a killer go to get revenge And can Zach stop him before he targets the woman Zach's coming to love **Veiled Intentions** Eileen Carr, 2014-12-29 When a young Muslim high school student is accused of a crime she didn't commit her school counselor gets involved to clear her record in this ripped from the headlines romantic thriller from the author of Vanished in the Night When Lily Simon finds cops in the lobby of the high school where she's a guidance counselor she's not surprised cops and adolescents go together like sex drugs and rock n roll But when the cops take Jamila a Muslim student into custody for a crime she didn't commit Lily's high school becomes a powder keg Police think Jamila is responsible for a hit and run and since she's not talking they have no choice but to keep her as the main suspect And since the victim a young soldier recently returned from Afghanistan is lying unconscious in the hospital the whole town is taking sides on whether or not Jamila's arrest is religious persecution Determined to find the truth Lily teams up with a reporter to uncover what really happened the night of the hit and run But Lily didn't expect to find such a tangled web e-THERAPY Richard Carr, 2025-01-23 A shocking discovery that will turn her world upside down Eileen Duet a therapist finds herself drawn into a forbidden online relationship that promises escape from her troubled marriage But when she finally meets her mysterious lover in person she's confronted with a devastating truth that threatens to shatter her life Suddenly the man who offered solace becomes a source of terror Eileen finds herself trapped in a dangerous game of cat and mouse where one wrong move could destroy her career her reputation and her sanity Meanwhile her sister Kelly harbors a dark secret a desperate act of betrayal that could tear their family apart As Eileen fights to protect herself and her loved ones she must confront the lies she's told herself and the devastating consequences of her choices A gripping tale of love betrayal and the secrets we keep this novel will keep you on the edge of your seat until the very last page Ethics in the Post-Truth Era and Contemporary British Drama Ayşen Demir Kılıç, Aylin Atilla Mat, 2025-09-11 Twenty first century British Drama presents a wide range of perspectives experimental practices and critical approaches Recent plays are concerned with ethical and political issues and their use of innovative techniques is continuously challenging the meaning making process The ethical revival in several disciplines in recent times has found its reflections in literary theory and theatre as well Ethical interrogations in the contemporary age peak with the post truth condition in which the actions of people are manipulated by lies based on beliefs

and emotions Thus the nature of ethical stance in such an age deserves to be investigated especially in contemporary theatrical studies This book aims to provide an ethical viewpoint to the works of three renowned contemporary British playwrights David Greig Marina Carr and Martin Crimp and to demonstrate their innovative styles and experimental approaches It seeks the traces of ethical transformation in the contemporary age and provides a Levinasian ethical critique Thus with its contemporary perspective this book contributes to the literary field and it is of interest to scholars working on contemporary British theatre and Ethical Criticism
