*Strength for the Fight* Gary Scott Smith, 2022-09-13 How faith sustained Jackie Robinson both as an athlete and as an activist The integration of Major League Baseball in 1947 was a triumph But it was also a fight As the first Black major leaguer since the 1880s Jackie Robinson knew he was not going to be welcomed into America's pastime with open arms Anticipating hostility he promised Brooklyn Dodgers general manager Branch Rickey that he would turn the other cheek during his first years in the league despite his fiercely competitive disposition Robinson later said that his faith in God had sustained him giving him the strength he needed to play the game he loved at the highest level without retaliating against the abuse inflicted upon him by opposing players and fans Faith was a key component of Robinson's life but not in the way we see it with many prominent Christian athletes today Whereas the Tim Tebows and Clayton Kershaws of the sports world emphasize personal spirituality Robinson found inspiration in the Bible's teachings on human dignity and social justice He grew up a devout Methodist a heritage he shared with Branch Rickey and identified with the theological convictions and social concerns of many of his fellow mainline Protestants especially those of the Black church While he humbly stated that he could not claim to be a deeply religious man he spoke frequently in African American congregations and described a special affinity he and other Black Christians felt for the biblical character Job who had also kept faith despite suffering and injustice In his eulogy for Robinson Jesse Jackson described Robinson as a co partner of God who lived out his faith in his civil rights activism both

during and after his baseball career Robinson's faith will resonate with many Christians who believe as he did that a person can be quite religious and at the same time militant in the defense of his ideals This religious biography of Robinson chronicles the important role of faith in his life from his childhood to his groundbreaking baseball career through his transformative civil rights work and in the process helps to humanize the man who has become a mythic figure in both sports history and American culture

*The Idea of Identification* Gary C. Woodward,2012-02-01 Illustrated with interesting examples drawn from politics and art The Idea of Identification draws on classical social and rhetorical theories to establish a systematic framework for understanding the varieties and forms of identification Woodward references a variety of contexts in contemporary life to explore the rhetorical conditions that create powerful and captivating moments By invoking the influential ideas of Kenneth Burke George Herbert Mead Joshua Meyrowitz and others he shows how the rhetorical process of identification is separate from psychological theories of identity construction Woodward concludes with an argument that film theory has perhaps offered the most vivid descriptive categories for understanding the bonds of identification
