Doctorow* Michelle M. Tokarczyk,E. L. Doctorow,1988      Conversations with E.L. Doctorow E. L. Doctorow,1999 Doctorow s novels imagine the great moments of American history the Old West the Depression as backdrops for tales of moral pain and injustice In these interviews Doctorow explores the themes of his work      Critical Essays on E.L. Doctorow Ben Siegel,2000 Forty eight reviews and nine essays trace the critical reputation of E L Doctorow s literary works      **E.L. Doctorow** Herwig Friedl,Dieter Schulz,1988      **A Study Guide for E.L. Doctorow's "Ragtime"** Gale, Cengage Learning,2016-07-12 A Study Guide for E L Doctorow s Ragtime excerpted from Gale s acclaimed Novels for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Novels for Students for all of your research needs      **Trauma, Gender and Ethics in the Works of E.L. Doctorow** María Ferrández San Miguel,2020-01-24 This project approaches four of E L Doctorow s novels Welcome to Hard Times 1960 The Book of Daniel 1971 Ragtime 1975 and City of God 2000 from the perspectives of feminist criticism and trauma theory The study springs from the assumption that Doctorow s literary project is eminently ethical and has an underlying social and political scope This crops up through the novels overriding concern with injustice and their engagement with the representation of human suffering in a variety of forms The book puts forward the claim that E L Doctorow s literary project through its representation of psychological trauma and its attitude towards gender may be understood as a call to action against both each individual s indifference and the wider social and political structures and ideologies that justify and or facilitate the injustices and oppression to which those who are situated at the margins of contemporary US society are subjected      *Encyclopedia of the American Novel* Abby H. P. Werlock,2015-04-22 Praise for the print edition no other reference work on American fiction brings together such an array of authors and texts as this      Western Film Highlights Henryk Hoffmann,2015-07-11 Westerns may have had their heyday but they remain popular The greatest films from 1914 when The Squaw Man and The Virginian were among the genre s best through 2001 when American Outlaws and Texas Rangers were tops are the subject of this work For each year the author names the outstanding western films in the following categories picture screenplay original and adaptation direction cinematography music male and female leading roles and male and female supporting roles Also for each year the author lists the westerns that received Academy Award nominations and those that won makes note of the births and deaths of notable actors directors producers composers cinematographers authors and other such personalities and describes the genre s significant achievements      **A Study Guide for E.L. Doctorow's "The Writer in the Family"** Gale, Cengage Learning,      Designs of Darkness in Contemporary American Fiction Arthur M.

Saltzman,2016-11-11 In *Designs of Darkness* Arthur M Saltzman examines some of the ways in which fiction has traditionally conspired to promote a goal oriented vision of the work of art and explores the ways in which postmodern or postrealist fiction consistently and unavoidably subverts the clarity of this vision Offering readings of works by well known authors including Barthelme Doctorow DeLillo and Hakes as well as works by lesser known writers Auster Gangemi Saltzman concentrates on the breakdown of epiphany in recent fiction both as philosophical motive and as structural foundation In contemporary fiction Saltzman contends ambiguities blossom far beyond our capacities to stabilize summarize or restore them to sense The old rules of the game in which a reader looking for truth can expect some sort of satisfactory resolution no longer apply Literature now comes out of the answerless *Designs of Darkness* in *Contemporary American Fiction* is a valuable new resource for scholars and students of contemporary literature E.L. Doctorow John G. Parks,1991
