The Wicker Man (Robin Hardy). ,2001 **The Wicker Man** Robin Hardy,Anthony Shaffer,2014-03-13 **The Wicker Man** Robin Hardy,Anthony Shaffer,1978 A policeman investigates the disappearance of a child from a Scottish island only to discover diabolic pagan fertility rites that involve human sacrifice *Children of The Wicker Man* Justin Hardy,Dominic Hardy,2025-10-23 Justin has always been conflicted over the exalted claims made about The Wicker Man his father s magnum opus for him the film destroyed his family He has no photographs of Robin Hardy in his house His brother Dominic whom Robin abandoned as a baby has been more distanced Their father s film is a set of fragmented stories benighted production brutal editing critical reception financial failure and later revival Then at the height of the Covid pandemic Justin receives a letter from a woman he s never met She has found a cache of Robin s personal papers that have been sitting untouched in the attic of Justin s childhood home since the 1970s Would he like them Using these newly uncovered sources along with the Hardy family s own letters and photographs *Children of The Wicker Man* investigates what Robin Hardy s creative contribution to The Wicker Man was and considers who was truly sacrificed In the process the brothers discover an unlikely heroine Justin s mother Caroline who bankrupted herself paying loans to her husband and the film only for him to leave when it flopped For all women behind artist husbands this book reveals a series of heroines the mothers of the children of The Wicker Man *The Wicker Tree* Robin Hardy,2013-07-22 A black comedy of religious sexuality and pagan murder which inhabits the same territory as The Wicker Man If I am a Rabbi Jehova is my God If I am a Mullah Allah the merciful is He If a Christian Jesus is my Lord Millions of people worldwide worship the sun Here in Tressock I believe the old religion of the Celts fits our needs at this time Isn t that all you can ask of a religion Gospel singer Beth and her cowboy boyfriend Steve two virgins promised to each other through the Silver Ring Thing set off from Texas to enlighten the Scottish heathens in the ways of Christ When after initial hostility they are welcomed with joy and elation to the village of Tressock they assume their hosts simply want to hear more about Jesus How innocent and wrong they are **REVIEWS** Erotic romantic comic and horrific enough to loosen the bowels of a bronze statue Christopher Lee Robin Hardy looks set to snare a new generation of followers with the long overdue follow up another tale of faith sex and sacrifice Sunday Herald the writing style is typical of the genre and Hardy has upped the stakes After a slow set up the plot romps along with unexpected twists and turns to its inevitable and frustratingly avoidable conclusion Those who identify with the youthful protagonists will find it thrilling and horrible a story to disturb sleep Scottish Review of Books Let s face it there are strange communities in the world Purity rings in hand a young evangelical Christian singer and her devoted fianc leave the comfort of their Texas home to journey into heathen parts of the earth hoping to spread the word of God across the land Their mission takes them to a bizarre Scottish town whose people and practices turn their world inside out To call it a culture clash would be too gentle To reveal anything further would be a blight against the heavens 38 years after directing THE WICKER MAN and following a 22

year filmmaking sabbatical celebrated iconoclast Robin Hardy has reunited with producer Peter Snell and returned to the Pagan pantheon with this hugely eccentric successor film THE WICKER TREE The distinction is an important one to make as this is neither sequel nor re imagining but rather a film narrative cut from the same universe or as its maker refers to it a spiritual sequel Hardy is a one of a kind filmmaker and THE WICKER TREE is brimming with the stamp of his personality It has ample Scottish colour reaching out through tons of catchy folk songs interspersed throughout the film Clever plays on religious iconography and an acute understanding of Pagan ritualism Ethereal locations A charged sense of the sexual A dreamlike sense of the magical Costumes dances and animal masks An off centre look at the absurdities of faith in this case neither Christian nor Pagan get off easy THE WICKER TREE could be called a black theological satire a strange breed of irony fuelled comedy musical horror thriller drama Call it however you like it will bring a smile to your lips and perhaps a torch to your belief system Based on Hardy s novel and featuring appearances by Christopher Lee members of the Beltane Fire Society and a compellingly show stopping Graham McTavish this is a film that s been brewing for many years one that has proved exceedingly difficult to mount Now finally it is here Prepare to ride the laddie and join us in celebrating the second coming of one of cinema s great seers May Day is upon us THE WICKER TREE is about to burn Mitch Davis Director of Fantasia Film Festival on the motion picture The Wicker Tree *The Wicker Man* ,1997 **Contemporary British and Irish Film Directors** Yoram Allon,Del Cullen,Hannah Patterson,2001 The guide encompasses the careers of over 350 directors from the last 20 years A must for any film studies library it is a unique reference to the changing dynamics of these cinemas **Inside The Wicker Man** Allan Brown,2012-02-15 Inside The Wicker Man is a treat for all cinemagoers exhaustively researched and achieving a near perfect balance between history trivia and serious analysis Allan Brown describes the filming and distribution of the cult masterpiece as a textbook example of How Things Should Never Be Done The omens were bad from the start and proceeded to get much much worse with fake blossom on trees to simulate spring actors chomping on ice cubes to prevent their breath showing on film and verbal and physical confrontations involving both cast and crew The studio hated it and hardly bothered to distribute it but today it finds favour with critics and fans alike as a serious if flawed piece of cinema Brown expertly guides readers through the film s convoluted history attempting along the way to explain its enduring fascination and providing interviews with the key figures many of whom still have an axe to grind and some of whom still harbour plans for a sequel *Faith Horror* LMK Sheppard,2022-04-04 Faith horror refers to a significant outcropping of mid 1960s and 1970s films and adaptative novels that depict non Christian communities of evil doers and their activities Before this period the classical horror villain was ultimately ineffectual The demonic monster was an isolated lone individual easily vanquished by an altruistic Christian protagonist Alternatively the villain in faith horror is organized into identity affirming likeminded religious congregations that successfully overcome protagonists Faith horror was a cinematic trend that depicted Satanism witchcraft and paganism during a cultural deliberation over the Death of God

which debated the legitimacy of alternative spiritualities and the value of alliance to any faith at all Covering popular works like Rosemary's Baby, The Wicker Man and The Omen this book regards these films and their literary sources in relation to this historical moment providing new ways of understanding both the period and the faith horror movement more generally

Religion and Film Melanie Wright, 2006-10-27 From silent films to contemporary blockbusters religion has always proved a popular theme for the cinema However all too often religion and film are discussed from narrowly confessional perspectives with the result that the field has long been dominated by the question of a film's fidelity to a religious text or worldview or its value as a tool in ministry and mission Religion and Film An Introduction seeks to redress this balance and argues for a new holistic approach to the subject that draws on work from cultural studies religious studies and film studies alike Wright argues that the meanings of a film are not encoded by its textual organisation but are bound up with its interpretation by viewers in specific contexts Focusing on religiously diverse films like The Ten Commandments La Passion de Jeanne d'Arc Kadosh Lagaan My Son the Fanatic Keeping the Faith The Wicker Man and Mel Gibson's The Passion of The Christ the author looks at varied screen representations of religion at films shaped by strong convictions about the place of religion in society and at the roles that audiences play as consumers of film The book will have strong appeal to students as well as general readers interested in all aspects of the inter relationship of religion and the cinema

Writing in the Sand Angus Dunn,2006 On the tip of the Dark Isle lies the tranquil fishing village of Cromness where the normal round of dominoes matches meetings of the Ladies Guild and twice daily netting of salmon continues as it has always done But all is not well Down on the beach an old man rakes the sand looking for clues to the future The patterns show him the harmony of the universe but they also show him that there is something wrong in Cromness Strange things are beginning to happen Because this is no ordinary island Centuries ago so it is said the Celtic gods and goddesses took refuge here Now behind the walls of the world there are restless stirring sounds Mist descends Strange animals move through the fog turnip fields disappear and the fishing fleet begin to blockade the island As the islanders prepare to celebrate the famed Dark Isle Show the moment of Truth approaches Soon everyone is drawn into the struggle against the shadows that threaten the Dark Isle But is anyone truly aware of the scale of events And who will prevail *The Devils* Darren Arnold,2019-06-25

Undoubtedly the most notorious title in director Ken Russell s controversial filmography *The Devils* 1973 caused a real furor on its initial theatrical release only to largely disappear for many years This Devil s Advocate considers the film s historical context as the timing of the first appearance of *The Devils* is of particular importance its authorship and adaptation Russell s auteur reputation aside the screenplay is based on John Whiting s 1961 play of the same name which was in turn based on Aldous Huxley s 1952 book *The Devils of Loudun* and its generic hybridity Darren Arnold goes on to examine the themes prevalent in the film this is the only film of Russell s which the director considered to be political and considers the representation of gender and sexuality gender fluidity and how sex and religion clash to interesting and controversial effect He concludes by revisiting the film s censorship travails and the various versions of *The Devils* that have appeared on both big and small screens and the film s legacy and influence **The Making of Horror Movies** Jennifer Selway,2021-06-09 A fascinating journey through society s changing preoccupations as reflected in horror films plus profiles of the genre s top actors and directors It wasn t until 1973 that a horror film *The Exorcist* was nominated for an Oscar for Best Picture and critics are still divided today many regarding them with amused condescension The public s view is also sharply divided Some cinema goers revel in the thought of being made very very afraid while others avoid horror films because they don t want to be frightened This guide which is for both the fan and the more fainthearted steers an illuminating path through a genre that has since the early days of cinema split off into many subdivisions folk horror slasher movies Hammer sci fi horror psychological thrillers zombie movies among others Times change but moviemakers can always find a way to tap into what we fear and dread whether it s blood sucking vampires or radioactive mutations evil children or the living dead This book also gives concise biographies of the many actors and directors who saw their careers for better or worse defined by their association with horror movies and who created a genre that is instantly recognizable in all its forms and continues to find new and ingenious ways of scaring us in the dark *Cinema of the Occult* Carrol Lee Fry,2008 Provides useful information on the occult religions and applies this discussion to selected films Readers will find excellent background on these paths as

well as perceptive commentary of film adaptations of them and their relevance to understanding our culture Publisher's note
