Latinx Ciné in the Twenty-First Century Frederick Luis

Aldama,2019-09-24 Today's Latinx motion pictures are built on the struggles and victories of prior decades. Earlier filmmakers threw open doors and cleared new paths for those of the twenty-first century to willfully reconstruct Latinx epics as well as the daily tragedies and triumphs of Latinx lives. Twenty-first-century Latinx film offers much to celebrate but, as noted pop culture critic Frederick Luis Aldama writes, there's still room to be purposefully critical. In *Latinx Cinema in the Twenty-First Century*, contributors offer groundbreaking scholarship that does both: bringing together a comprehensive presentation of contemporary film and filmmakers from all corners of Latinx culture. The book's seven sections cover production techniques and evolving genres; profile those behind and in front of the camera; and explore the distribution and consumption of contemporary Latinx films. Chapters delve into issues that are timely, relevant, and influential, including representation or the lack thereof, identity and stereotypes, hybridity, immigration and detention, historical recuperation, and historical amnesia. With its capacious range and depth of vision, this timeless volume of cutting-edge scholarship blazes new paths in understanding the full complexities of twenty-first-century Latinx filmmaking.

Fantasy/Animation, Christopher Holliday, Alexander Sergeant, 2018-04-27. This book examines the relationship that exists between fantasy cinema and the medium of animation. Animation has played a key role in defining our collective expectations and experiences of fantasy cinema, just as fantasy storytelling has often served as inspiration for our most popular animated film and television. Bringing together contributions from world-renowned film and media scholars, *Fantasy Animation* considers the various historical, theoretical, and cultural ramifications of the animated fantasy film. This collection provides a range of chapters on subjects including Disney, Pixar, and Studio Ghibli filmmakers such as Ralph Bakshi and James Cameron, and on film and television franchises such as Dreamworks' *How to Train Your Dragon* (2010) and HBO's *Game of Thrones* (2011).

Chicana/o Remix, Karen Mary Davalos, 2017-07-25. Rewrites our understanding of the last 50 years of Chicana/o cultural production. *Chicana/o Remix* casts new light not only on artists such as Sandra de la Loza, Judy Baca, and David Botello, among others, but on the exhibitions that feature their work and the collectors, curators, critics, and advocates who engage it. Combining feminist theory, critical ethnic studies, art historical analysis, and extensive archival and field research, Karen Mary Davalos argues that narrow notions of identity, politics, and aesthetics limit our ability to understand the full capacities of Chicana/o art. She employs fresh vernacular concepts such as the errata exhibit or the staging of exhibits that critically question mainstream art museums and the remix or the act of bringing new narratives and forgotten histories from the

background and into the foreground These concepts which emerge out of art practice itself drive her analysis and reinforce the rejection of familiar narratives that evaluate Chicana o art in simplistic traditional terms such as political versus commercial or realist versus conceptual Throughout Chicana o Remix Davalos explores undocumented or previously ignored information about artists their cultural production and the exhibitions and collections that feature their work Each chapter exposes and challenges conventions in art history and Chicana o studies documenting how Chicana artists were the first to critically challenge exhibitions of Chicana o art tracing the origins of the first Chicano arts organizations and highlighting the influence of Europe and Asia on Chicana o artists who traveled abroad As a leading scholar in the study of Chicana o artists art spaces and exhibition practices Davalos presents her most ambitious project to date in this re examination of fifty years of Chicana o art production
