The Yellow Arrow By Victor Pelevin:

The Yellow Arrow Viktor Pelevin, 1996 THE YELLOW ARROW is a Russian train speeding toward a ruined bridge a train without an end or a beginning and it makes no stops Andrei the mystic passenger less and less lulled by the never ending sound of the wheels has begun to look for a way to get off But life in the carriages goes on as always This important young Russian author's first American translation garnered rave reviews Literature, History and Identity in Post-Soviet Russia, 1991-2006 Rosalind J. Marsh, 2007 The aim of this book is to explore some of the main preoccupations of literature culture and criticism dealing with historical themes in post Soviet Russia focusing mainly on literature in the years 1991 to 2006 introd *Companion to Victor Pelevin* Sofya Khagi, 2022-01-18 Companion to Victor Pelevin a collaborative undertaking by a group of emerging Russianist scholars focuses on the work of one of the most important and hotly debated post Soviet writers It provides a valuable resource to scholars teachers and students including how best to teach Pelevin to university level students and which critical debates invite further investigation The contributors offer new readings of Pelevin texts that cover a broad time span and pay due attention to the philosophical and aesthetic complexities of Pelevin's oeuvre in its development from the early post Soviet years to the second decade of the present millennium Examining all of Pelevin's major works and all Peleviniana currently available in English the Companion aims to prompt further inquiry into this author's intellectually stimulating and socially prescient work **Laughter in the Dark** Vladimir Vladimirovich Nabokov, 1960 Tragedy of a rich and respectable Berlin art dealer and his passion for his young mistress *Selected Writings* Paul Valéry, 1950 This selection from representative works of the great French poet philosopher is based on the Paris Morceaux Choisis volume which was assembled by Valéry himself **Three Tragedies** Federico García Lorca, 1955 Yerma is about a childless married woman who so obsessively wants a child that she will do almost anything Tragedy ensues **Cat on a Hot Tin Roof** Tennessee Williams, 1975 Williams's Pulitzer Prize winning play has captured both stage and film audiences since its debut in 1954 One of his best loved and most famous plays it exposes the lies plaguing the family of a wealthy Southern planter of humble origins **Guignol's Band** Louis-Ferdinand Céline, 1969 In Guignol's Band first published in France in 1943 Céline explores the horror of a disordered world *Bending the Bow* Robert Duncan, 1968 In Bending the Bow Robert Duncan is writing on a scale which places him among the poets after Walt Whitman bold enough to attempt the personal epic the large canvas rendering of man's spirit in history as one man sees it feels it lives it and makes it his own **Incarnate** Thalia Field, 2004 An enthralling new work by one of America's foremost experimental writers Thalia Field's inventive new book explores the very condition of being incarnate how invested with human form we experience both suffering and ecstasy from childhood to adulthood to death As with her previous book published by New Directions Point and Line 2000 Incarnate defies categorization it industriously works the sparsely populated and as yet underdeveloped borderlands between poetry fiction theater and contemporary classical music Review of Contemporary Fiction In Incarnate Story Material she continues

to reach beyond borders examining how trapped in our own stories we act and react in a world of solidity perceiving something other close at hand With its amazing variety of poetic and prose like forms driven by a fierce and playful intelligence Incarnate Story Material challenges and moves us The Poems of Saint John of the Cross Saint John of the Cross,1972 **The Happy Birthday of Death** Gregory Corso,1960 **The Wall** Jean-Paul Sartre,2010-07-27 One of Sartre s greatest existentialist works of fiction The Wall contains the only five short stories he ever wrote Set during the Spanish Civil War the title story crystallizes the famous philosopher s existentialism The Wall the lead story in this collection introduces three political prisoners on the night prior to their execution Through the gaze of an impartial doctor seemingly there for the men s solace their mental descent is charted in exquisite often harrowing detail And as the morning draws inexorably closer the men cross the psychological wall between life and death long before the first shot rings out This brilliant snapshot of life in anguish is the perfect introduction to a collection of stories where the neurosis of the modern world is mirrored in the lives of the people that inhabit it This is an unexpurgated edition translated from the French by Lloyd Alexander Stand Still Like the Hummingbird Henry Miller,1962 One of Henry Miller s most luminous statements of his personal philosophy of life Stand Still Like the Hummingbird provides a symbolic title for this collection of stories and essays Many of them have appeared only in foreign magazines while others were printed in small limited editions which have gone out of print Miller s genius for comedy is at its best in Money and How It Gets That Way a tongue in cheek parody of economics provoked by a postcard from Ezra Pound which asked if he ever thought about money His deep concern for the role of the artist in society appears in An Open Letter to All and Sundry and in The Angel is My Watermark he writes of his own passionate love affair with painting The Immorality of Morality is an eloquent discussion of censorship Some of the stories such as First Love are autobiographical and there are portraits of friends such as Patchen Man of Anger and Light and essays on other writers such as Walt Whitman Thoreau Sherwood Anderson and Ionesco Taken together these highly readable pieces reflect the incredible vitality and variety of interests of the writer who extended the frontiers of modern literature with Tropic of Cancer and other great books **No Longer Human** Osamu Dazai,2012-09-30 The poignant and fascinating story of a young man who is caught between the breakup of the traditions of a northern Japanese aristocratic family and the impact of Western ideas Mine has been a life of much shame I can t even guess myself what it must be to live the life of a human being Portraying himself as a failure the protagonist of Osamu Dazai s No Longer Human narrates a seemingly normal life even while he feels himself incapable of understanding human beings His attempts to reconcile himself to the world around him begin in early childhood continue through high school where he becomes a clown to mask his alienation and eventually lead to a failed suicide attempt as an adult Without sentimentality he records the casual cruelties of life and its fleeting moments of human connection and tenderness Still one of the ten bestselling books in Japan No Longer Human is an important and unforgettable modern classic The struggle of the individual to fit into a normalizing society
