Twisted Dark Protectors 55 By Rebecca Zanetti:

Tempted, Twisted, Tamed: Rebecca Zanetti, 2016-01-19 Tempted On the run from a mental institution and her vindictive half brother it's safe to say that Sarah Pringle's happy life as a schoolteacher is on hold Too bad that as far as self defense goes run and hide is the best she's got And with the monsters that started her escape hot on her heels that's not going to cut it for long That is unless Sarah has a bigger badder hotter monster on her side Max Petrovsky is right at the top of the list of alpha male ass kickers And he knows exactly what Sarah's up against Good thing because the minute he sees her something primal kicks in turning everyday attraction into red hot desire As long as they're cooperating why not mix some pleasure with business Of course Max should probably tell Sarah he's a vampire himself Twisted In human form Terrent Vilks is all male animal dark ripped predatory As wolf he's unforgettably dangerous unforgettably hot Yet Maggie can't remember him Not even when she learns she once agreed to mate him Yeah that was years ago before she was kidnapped and tortured before she lost her memory Now she knows just one thing about herself she'll do whatever it takes to bring down the monsters who took her even trust her ex He's got her right where he wants her Tamed Caleb Donovan was never meant to be a prophet At heart he's a conqueror his appetites far more carnal than spiritual He's not inclined to repress his passions and surrender to fate After all that's what cost him Lily three centuries ago She married another because it was ordained Now that he's in the same benighted calling and forced into proximity with her all the old desires are roaring back to life After widowhood and centuries of celibacy Lily is eager to explore the wild side of life except now she's vulnerable to another forced relationship with an enemy But this time she's determined to choose her own path And if hot furious Caleb comes charging to the rescue it might just change both their destinies Love is about to start conquering **Dark Protectors, T8 :**
