Acting For Young Actors The Ultimate Teen Guide:

Acting for Young Actors Mary Lou Belli, Dinah Lenney, 2006-08-01 Do you know a teen that's been bitten by the acting bug? Here's just the book they need. *Acting for Young Actors* aimed at teens and tweens lets kids hone their skills and develop their craft. It begins with the five W's: WHO am I? WHAT do I want? WHY do I want it? WHERE am I? WHEN does this event take place? Sounds basic, but many young child actors are told simply to get up there and act. This book explores each of these questions using helpful exercises to allow young actors to work through problems of character identity and motivation. With comprehensive chapters on auditioning, rehearsal, and improvisation, plus a primer on how young actors can break into film, theater, and television, *Acting for Young Actors* is every kid's ticket to the big time. *Acting for Young Actors* Mary Lou Belli, 2006 Do you know a teen that's been bitten by the acting bug? Acting Bethany Bezdecheck, 2009-08-15 Your readers can learn about the craft of acting itself, preparing for and doing well at auditions, the exciting and challenging rehearsal process, and dealing with the opening night jitters. Everything an aspiring high school actor should know before taking the stage. Acting Jason Skog, 2010-07 A guide to careers in acting provides tips on education, technique, and opportunities, and includes profiles of working actors. *Know it All, Find it Fast for Youth Librarians and Teachers* Christine Donnelly, 2012 A brand new version of the best-selling enquiry desk reference text *Know it All, Find it Fast*, specifically designed for those working with children and young people in schools, public libraries, and at home. Including an invaluable overview of the education system and the school curriculum, as well as a comprehensive listing of useful resources by topic, this A-Z covers school subjects from science and maths to reading and literacy, and more general themes such as children's health, wellbeing, and hobbies. Each topic is broken down into useful sections that will help to guide your response. Typical questions outline common queries such as 'Have you got any information about volcanoes?' Considerations provides useful hints and tips. i.e. Geography now encompasses not only physical and human geography but also environmental geography, social geography, geology, and geopolitics. Where to look lists relevant printed, digital, and online resources with useful annotations explaining their scope and strengths. Readership: This is the must-have quick reference tool arming librarians and teachers with the knowledge to deal with any queries thrown at them from children and young people, as well as their parents and caregivers. It will also be a handy reference for parents and anyone working with children and young people in other organizations such as homework clubs and youth workers.
