Stephen Charnock ... With a Prefatory Dedication and Memoir** Stephen Charnock, 1815 *The Works of the Late Rev. Stephen Charnock ... With a Prefatory Dedication and Memoir*, by Edward Parsons. [With a Portrait.] Stephen CHARNOCK, 1815 **Midlife Transformation in Literature and Film** Steven F. Walker, 2012-03-12 In this book Steven F Walker considers the midlife transition from a Jungian and Eriksonian perspective by providing vivid and powerful literary and cinematic examples that illustrate the psychological theories in a clear and entertaining way For C G Jung midlife is a time for personal transformation when the values of youth are replaced by a different set of values and when the need to succeed in the world gives place to the desire to participate more in the culture of one's age and to further its development in all kinds of different

ways Erik Erikson saw generativity an expanded concern for others beyond one's immediate circle of family and friends as the hallmark of this stage of life Both psychologists saw it as a time for growth and renewal Literary texts such as Virginia Woolf's *Mrs Dalloway* Shakespeare's *Antony and Cleopatra* or Sophocles' *Oedipus the King* and films such as Fellini's *8 1/2* and *Campion's The Piano* have the capacity to represent sometimes more vividly and with greater dramatic concentration than actual life histories or case studies the archetypal nature of the drama and in depth transformation associated with the midlife transition *Midlife Transformation in Literature and Film* focuses on the specific male and female archetypal paradigms and presents them within the general context of midlife transformation For men the theme of death of the young hero presides over the crisis and the transformative ordeal whereas for women the theme of tragic abandonment acts as the prelude to further growth and independence This book is essential reading for anyone studying Jung Erikson or the midlife transition It will interest those who have already been through a midlife transition those who are in the midst of one as well as those who are yet to experience this challenging period

Surviving Stephen King Rebecca Frost, 2021-10-22 Stephen King frequently places his human characters in danger against a supernatural antagonist These characters being realists of the late 20th and early 21st centuries must first overcome their disbelief at what is happening to them and then decide what to do about it Both their explanations for the strange happenings and their attempts to deal with them can be divided into four main categories cultural appropriation Christianity especially Catholic rites attempts at utter destruction and a resignation to simply live or die with the supernatural intact This book examines over 30 of King's works revealing that the overall success of the characters in removing the supernatural threat from their towns or perhaps defeating it entirely does not depend fully on which of these four paths of action they choose It is possible for any attempt to destroy the supernatural threat to fail and what works in one of King's books will not have the same outcome in another For King the most likely success comes when his characters can choose a course of action that allows them to stand and be true to themselves

River of God Douglas D. Priest, Stephen E. Burris, 2012-04-19 River of God is an introduction to world missions aimed at undergraduate students. However, the readers will soon discover that the book is rich in its content far beyond the editors' original plan. It serves as a reader for people with various levels of missiological interest and competence and deals with cutting edge issues in missions. This book introduces a new paradigm: Kingdom Missiology, which builds on shalom in the Old Testament and as Jesus applied to the Kingdom of God in the New Testament. The first half of the book looks at Kingdom Missiology from the biblical, historical, and cultural dimensions. The second half of the book describes helpful strategies in the implementation of this paradigm. The importance of urban ministry is woven throughout the book.
