Three Daves By Nicki Elson:

Three Daves Nicki Elson, 2010-02-16 Jennifer Whitney was the last American virgin At least that's what she felt like in 1986 as she began her sophomore year at Central Illinois University She was proud of her decision to wait for the right guy and yet she was getting restless It seemed like everyone around her was doing it and having fun doing it too She didn't want to become the campus slut or anything but surely there was a difference between a trashy skank and a nice girl with a little experience Perhaps it was time to stop relying on fate to guide her and instead take matters into her own hands And with that realization Jen decided to find the one and lose her virginity although not necessarily in that order Nicki Elson has created a heroine that everyone will cheer for as she comes of age in the mid 1980s Whether you lived through the decade and survived the bad hair and acid wash jeans or just heard the wild stories readers of all ages will identify with Jen Whitney as she searches for the one enjoying her romantic ups and downs made even more entertaining by Nicki Elson's amusingly wry sense of humor

Three Daves, Book 2 Nicki Elson, 2016-04-26 With solid sexual experience under her belt Jennifer Whitney is determined to return to her good girl status until she meets the right guy Sexy super senior Dave is not the right guy But his mesmerizing eyes and sensual swagger have a way of making up for that especially when he gives Jen the kind of attention she never dreamed she'd get from someone like him Her roommate doesn't like him Her friend David isn't his biggest fan either But neither of them understands the persuasive powers of Dave's delicious tongue and his tiger-like growl Jen's proud of herself for resisting his many temptations yet she knows Dave won't stick around forever if she never gives him anything This is part two of a reboot of the novel *Three Daves* Come on good girl Be bad Dave

Three Daves, Book 1 Nicki Elson, 2016-04-26 Jennifer Whitney always expected to save her virginity for that special someone But the nineteen-year-old college sophomore is tired of waiting for the universe to bring him to her especially while everyone around her is gaining valuable experience in the bedroom and in the library stacks and in conversion vans Afraid of falling behind she decides to lose her virginity to her friend David someone she'd never ever risk a romantic relationship with after what he did to her Trouble is she's been crushing on David since freshman year Can she really take that step with him and not fall into the trap of hoping things will turn real This is part one of a reboot of the novel *Three Daves* I asked my interior designer to give me something appropriate for defiling virgins David
