Born with a Tail Doug Brod, 2024-10-08 A provocative irreverent biography of Anton Szandor LaVey founder of the Church of Satan BORN WITH A TAIL chronicles a time when Americans welcomed a macabre showman into their living rooms via The Tonight Show before a ginned up hysteria known as the Satanic Panic would put a target on his shiny shaven head When Anton LaVey burst onto the San Francisco scene right before the Summer of Love he parlayed his eerie obsessions into a philosophy and lifestyle that capitalized on a New Age rage With his signature cape horn studded hood and Ming the Merciless beard LaVey was a media savvy provocateur who took what he did seriously but was always in on the joke From a spooky old house on an otherwise unremarkable street he founded the Church of Satan where young women squirmed nude on the mantel of his ritual chamber as he delivered a doctrine of self deification and indulgence that combined the writings of Ayn Rand Friedrich Nietzsche and Aleister Crowley with the pulpy fictions of H P Lovecraft and Robert E Howard Later his bestselling book The Satanic Bible still in print since 1969 struck an ominous chord with both the hip and the alienated the fringe dwellers who were goth before there were goths But LaVey's influence could be felt far beyond his flock namely in the nightmarish and supernatural entertainment that dominated pop culture in the 1970s and continues to make an impact today He was a musical prodigy who attracted a cluster of stars into his orbit including Jayne Mansfield and Sammy Davis Jr But living like a real life Gomez Addams complete with a full grown pet lion came at an awful price Deeply researched and featuring dozens of new interviews as well as recently unearthed personal correspondence and church records BORN WITH A TAIL The Devilish Life and Wicked Times of Anton Szandor LaVey Founder of the Church of Satan separates the facts from the fabrications of this uniquely American character's extraordinary life [The Graduate's Book of Practical Wisdom](#)
