Who He Is Firenine 1 By Shanora Williams:

My Fiance's Brother Shanora Williams, The last thing any man wants to see is the woman of his dreams getting engaged to his brother I thought I still had time to win Marlana back but seeing the brother I despise lock his arm around her waist at his engagement party catches me completely off guard I can't really blame her She didn't know he was my brother and I'm sure he never talks about me but now that she knows she's begging me to forget about our past Well she's out of her mind if she thinks I'm going to let her get away from me that easily Most men are willing to sacrifice a greater love for the sake of other's happiness but the thing is I'm not like most men And that fiancée of his She knows me better than anyone else which means she also knows I'm not letting her go without a fight
