Wicked Game By Matt Johnson:

Wicked Game Matt Johnson, 2016-03-01 Royalty Protection Team officer Robert Finlay is looking forward to a quieter life when two police officers are killed and their links to his own past becomes clear putting everyone's lives in danger. A startlingly authentic debut first in a page turning searing new series. **NUMBER ONE BESTSELLER** Shortlisted for the CWA John Creasey New Blood Dagger. LoveReading Debut of the Month. Tense and vivid writing. Matt Johnson is a brilliant new name in the world of thrillers. And he's going to be a big name. Peter James. From the first page to the last, an authentic, magnetic and completely absorbing read. Sir Ranulph Fiennes _____ 2001. Age is catching up with Robert Finlay, a police officer on the Royalty Protection team based in London. He's looking forward to returning to uniform policing and a less stressful life with his new family. But fate has other plans. Finlay's deeply traumatic, carefully concealed past is about to return to haunt him. A policeman is killed by a bomb blast and a second is gunned down in his own driveway. Both of the murdered men were former Army colleagues from Finlay's own SAS regiment and in a series of explosive events it becomes clear that he is not the ordinary man that his colleagues, friends and new family think he is. And so begins a game of cat and mouse, a wicked game in which Finlay is the target, forced to test his long buried skills in a fight against a determined and unidentified enemy. *Wicked Game* is a taut, action packed, emotive thriller about a man who might be your neighbour, a man who is forced to confront his past in order to face a threat that may wipe out his future, a man who is willing to do anything to protect the people he loves. But is it too late? _____ Utterly compelling and dripping with authenticity. This summer's must read thriller. J S Law. Out of terrible personal circumstances, Matt Johnson has written a barnstormer of a thriller. Nothing is clear cut in a gripping labyrinthine plot which, despite thrills and spills aplenty, never falls short of believable. David Young. *Wicked Game* has the authenticity I look for in a thriller. While the plot kept me turning pages, the characters made me care. Matt writes like a man who has lived it. Kevin Maurer. Johnson litters his tale with the plotting equivalent of incendiaries. Cops we don't quite trust, a career that came abruptly to an end, a secret needing to be kept. Gripping stuff. New Welsh Review. *Deadly Game* Matt Johnson, 2017-02-20. Police Inspector Robert Finlay takes on a ruthless criminal gang as he and his new partner Nina investigate a sex trafficking ring. The second instalment in the addictive, searingly authentic Robert Finlay series. **NUMBER ONE BESTSELLER**. Nothing is clear cut in a gripping labyrinthine plot which, despite thrills and spills aplenty, never falls short of believable. David Young. Tense and vivid writing. Peter James. The magic mix of jeopardy, emotion and action. I could not put it down. Louise Voss _____ Reeling from the attempts on his life and that of his family, Police Inspector Robert Finlay returns to work to discover that any hope of a peaceful existence has been dashed. Assigned to investigate the Eastern European sex slave industry, just as a key witness is murdered, Finlay, along with his new partner Nina Brasov, finds himself facing a ruthless criminal gang determined to keep control of the traffic of people into the UK. On the home front, Finlay's efforts to protect his wife and child may have

been in vain as an MI5 protection officer uncovers a covert secret service operation that threatens them all Aided by new allies he must not only protect his family but save a colleague from an unseen enemy and a shocking fate Deadly Game is a stunning terrifying and eye opening thriller from one of the most exciting new names in crime fiction _____
