What is Good Folk High School Pedagogy? Michael Noah Weiss, 2023 The Nordic Folk High Schools are known for their unique pedagogical approaches These schools have little in common with the conventional education system In this anthology experienced folk high school teachers share and examine concrete examples from their own pedagogical practice In the course of these dialogues various perspectives and ideas come to the fore on what it might be that constitutes good folk high school pedagogy *Discovering Home: Your Favorite Place to Live* Dale Stubbart, Falling in love is easier when you re open to living your passion And when you fall in love with a place you call it Paradise You call it Home But what makes us fall in love with a certain place What makes us want to live there Discovering Home explores several attributes that make a place a Best Place to Live Of course everybody has a different set of criteria for what makes a place Home We all apply that criteria differently This book is filled with top 10 lists It also helps you figure out how to create your own top 10 Yet just knowing where your favorite place is doesn t quite cut it when you call that place home Somehow you ve got to live there That place is calling you to keep coming home until you are home Discovering Home helps you explore this world to find Home It also helps you explore your deeper inner world to find that place you call Home You will find that they are they same Taking both paths to get there is more satisfying For when you do you really know that you are Home Rating G Reading Level Easy 6th Longest Word Multiculturalism The Clockmaker, Or, The Sayings and Doings of Samuel Slick, of Slickville : Second Series Thomas Chandler Haliburton, 1839 Weekly Compilation of Presidential Documents ,2002 Congressional Record United States.
