Essays on The Bhagavadgita Part VI Chandan Sengupta, Essays on The Bhagavadgita are a series of publication having a principal objective of reflecting some of the distinct part of the Holy Scripture Some of the references are also incorporated at different places as per need to elaborate the relevance of teachings of the Holy Scripture in modern context Teachings of Veda Upanishad Vedantas and Gita provide valuable instructions which always remain free from the alterations duly observed in and around the context Because of that reason every minute parts of this Holy Scripture are equally important if aspirants prefer following all such teachings in daily life It is also an established fact that teachings of Gita is relevant for aspirants from all walks of life it is not necessary that any aspirant can have any previous knowledge of any other scripture before starting to move through the Holy Scripture and other relevant compilations duly prepared on the basis of the comprehensive teachings of the Holy Scripture

A Pilgrimage to the World of Peace and Nonviolence Chandan Sengupta, It is true that we are passing through a critical situation during which entire society is getting divided into class and section day by day on the basis of different types of superficial parameters Such differences are so prominent that they even hamper the normal acculturation process of early schooling and socialisation of individuals through which newly introduced fellows are allowed to gain a perfect pitching in the multi plural community Service oriented life of modern world is also moving on with such kind of toss and twist giving birth to regional as well as global tension of different degree and radial expansion It is also becoming difficult for us to overcome the situation due to its deeper impression in the mind set of individual coming out from the isolated segments of restricted mechanism of acculturation Main objective of our discussion and analysis is to cultivate a balanced process of educational social as well as economic acculturation which will be suitable enough for ensuring implementation and continuation of world Peace
