The Veritas Conflict By Shaunti Feldhahn:

The Veritas Conflict Shaunti Feldhahn, 2009-01-21 Claire Rivers races to the mailbox to receive a letter of acceptance to Harvard University while a heavenly battle rages. In this fast paced suspenseful novel the ageless war for the hearts and minds of students on our college campuses is revealed. Conflict between unseen evil and angelic forces reflects their battle for victorious living amidst confused messages. When Claire and her roommate encounter attacks on their faith a deeper mystery involving Harvard's Christian heritage, the pull of money and a dark plan for societal corruption unfolds around them. Will they succumb to temptation and destruction? What has become of Harvard's founding motto *Veritas Christo et Ecclesiae* Truth for Christ and the Church? Can Claire with other praying students and their parents counteract the forces of humanism and relativism and what will it cost them to do so?

WAGING WAR Heather M. Freeman, 2017-02-19 The purpose of *Waging War* is to guide the youth of this program from start to finish in their therapeutic efforts to gain insight into their patterns of thinking and beliefs that have led to the current outcomes in their life thus far and enable them to change the path which they are on. *Waging War* is a guide to start the youth with the most basic information and work pages to the culmination of all of the facts, scripture and their newly gained insight to offer a more clear picture of where they are and how to change their lives for the better. Every chapter will have work pages that Freeman has used and had found to be useful in therapy but most importantly this workbook will teach the Word to a population that does not hear it in its most correct form. What is the significance of controlling one's thoughts and how does that apply to you? Doubts, fears and insecurities come from somewhere especially when they are pervasive. Understanding this idea will help one to fight those thoughts and free them from the shackles their mind puts around their hearts preventing them from achieving their dreams and the plans God had intended for them when they were created.

To Know You Shannon Ethridge, Kathryn Mackel, 2013-10-22 Julia Whittaker's rocky past yielded two daughters both given up for adoption as infants. Now she must find them to try to save her son. Julia and Matt Whittaker's son has beaten the odds for thirteen years only to have the odds and his liver crash precipitously. The only hope for his survival is a living liver transplant but the transplant list is long and Dillon's time is short. His two older half sisters, born eighteen months apart to two different fathers, offer his only hope for survival. But can Julia ask a young woman, someone she surrendered to strangers long ago and has never spoken with, to make such a sacrifice to save a brother she's never known? Can she muster the courage to journey back into a shame-filled season of her life, face her choices and their consequences and find any hope of healing? And what if she discovers in her own daughters' lives that a history of foolish choices threatens to repeat itself? Julia knows she's probably embarking on a fool's errand searching for the daughters she abandoned only now that she needs something from them. But love compels Julia to take this journey. Can grace and forgiveness compel her daughters to join her? In *To Know You* Shannon Ethridge and Kathryn Mackel explore how the past creates the present and how even the most shattered lives can be
