Stephenie Meyer Lauri S. Scherer,2012-06-15 Since writing her debut novel after receiving the novel s plot in a dream Stephenie Meyer has achieved a level of stardom unknown to most authors of young adult fiction This book explores the author s childhood before taking readers through the whirlwind tale of Twilight s publication and the development of the blockbuster movie franchise Chapters also discuss the controversy surrounding Twilight s religious undertones and Meyer s newest work *Stephenie Meyer* Lisa Rondinelli Albert,2007-01-01 Explores the life of Stephanie Meyer and her fiction

Contemporary Media Stylistics Helen Ringrow,Li Wei,Stephen Pihlaja,2022-04-21 Media discourse is changing at an unprecedented rate This book presents the most recent stylistic frameworks exploring different and changed forms of media The volume collates recent and emerging research in the expanding field of media stylistics featuring a variety of methods multimodal source material and a broad range of topics From Twitter and Zooniverse to Twilight and Mommy Blogs the volume maps out new intellectual territory and showcases a huge scope neatly drawn together by leading scholars Helen Ringrow and Stephen Pihlaja Contributors write on topics that challenge the traditional notions and conceptualisations of media and the consequences of technological affordances for the development of media production and consumption There is a particular focus on the ways in which contemporary media contexts complicate and challenge traditional media models and offer new and unique ways of approaching discourse in these contexts Gender(ed) Identities Tricia Clasen,Holly Hassel,2016-08-25 This volume brings together diverse cross disciplinary scholarly voices to examine gender construction in children s and young adult literature It complements and updates the scholarship in the field by creating a rich cohesive examination of core questions around gender and sexuality in classic and contemporary texts By providing an expansive treatment of gender and sexuality across genres eras and national literature the collection explores how readers encounter unorthodox as well as traditional notions of gender It begins with essays exploring how children s and YA literature construct communities formed by gender ethnicity sexuality and in face to face and virtual spaces Section II s central focus is how gendered identities are formed unpacking how texts for young readers ranging from Amish youth periodicals to the blockbuster Divergent series trace reproduce and shape gendered identity socialization In section III the essential literary

function of translating trauma into narrative is addressed in classics like *Anne of Green Gables* and *Pollyanna* as well as more recent works. Section IV's focus on sexuality and romance encompasses fiction and nonfiction works examining how children's and young adult literature can serve as a regressive, progressive and transgressive site for construction meaning about sex and romance. Last, Section IV offers new readings of paratextual features in literature for children from the classic tale of *Cinderella* to contemporary illustrated novels. The key achievement of this volume is providing an updated range of multidisciplinary and methodologically diverse analyses of critically and commercially successful texts contributing to the scholarship on children's and YA literature, gender, sexuality and women's studies and a range of other disciplines.

The Vampire Goes to College Lisa A. Nevárez, 2013-12-03 This collection of original essays presents pedagogical tools, methods and approaches for incorporating the figure of the vampire into the learning environment of the college classroom in the hopes of ushering the Undead out of the coffin and into the classroom. The essays foster interdisciplinary collaboration and dialogue and serve as a collective resource for those currently teaching the vampire as well as newcomers to vampire studies. Opening with a foreword by Sam George, the collection is organized around such topics as historicizing the vampire, teaching the diverse vampire and engaging the student learner. Interwoven throughout the volume are strategies for incorporating writing instruction and generating conversations about texts, texts defined broadly so as to include film and other media. The vampire allows instructors to explore timeless themes such as life and death, love and passion, immortality and monstrosity and Otherness.

Family in Children's and Young Adult Literature Eleanor Spencer, Jade Dillon, Craig, 2023-11-07 *Family in Children's and Young Adult Literature* is a comprehensive study of the family in Anglophone children's and Young Adult literature from the early nineteenth century to the present day. Written by intellectual leaders in the field from the UK, the Americas, Europe and Australia, this collection of essays explores the significance of the family and of familial and quasi-familial relationships in texts by a wide range of authors including the Grimms, Frances Hodgson Burnett, Rudyard Kipling, Enid Blyton, Judy Blume, Jacqueline Wilson, Malorie Blackman, Melvin Burgess, J.K. Rowling, Neil Gaiman and others. Author-based and critical survey essays explore evolving depictions of LGBTQIA and BAME families, migrant and refugee narratives, the popular tropes of the orphan protagonist and the wicked stepmother, sibling and intergenerational familial relationships, fathers and fatherhood, the anthropomorphic animal and surrogate family and the fractured family in paranormal and dystopian YA literature. The breadth of essays in *Family in Children's and Young Adult Literature* encourages readers to think beyond the outdated but culturally privileged nuclear family and is a vital resource for students, academics, educators and practitioners.

The Book Publishing Industry Albert N. Greco, Jim Milliot, Robert M. Wharton, 2013-07-31 This volume provides an innovative and detailed overview of the book publishing industry, including details about the business processes in editorial, marketing and production. The work explores the complex issues that occur every day in the publishing industry.

Seduced by Twilight Natalie Wilson, 2014-01-10 Stephenie Meyer's *Twilight* saga has maintained a tight grip on the

contemporary cultural imagination This timely and critical work examines how the Twilight series offers addictively appealing messages about love romance sex beauty and body image and how these charged themes interact with cultural issues regarding race class gender and sexuality Through a careful analysis of the texts the fandom and the current socio historical climate this work argues that the success of the Twilight series stems chiefly from Meyer s negotiation of cultural mores *Billboard* ,2009-10-31 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

Publishers, Readers, and Digital Engagement Marianne Martens,2016-06-15 This book demonstrates how the roles of author marketer and reviewer are being redefined as online environments enable new means for young adults to participate in the books they love Prior to the expansion of digital technologies around reading teachers parents and librarians were the primary gatekeepers responsible for getting books into the hands of young people Now publishers can create disintermediated digital enclosures in which they can communicate directly with their reading audience This book exposes how teens contribute their immaterial and affective labor as they engage in participatory reading experiences via publishers and authors interactive websites and use of social media and how in turn publishers are able to use such labor as they get invaluable market research peer to peer recommendations and even content which can be used in other projects all virtually free of charge Really Easy Piano: Songs From The Movies Wise Publications,2014-10-03 Really Easy Piano Songs From The Movies is packed with 16 songs from your favourite films all arranged for easy Piano Featuring the best songs from the biggest Hollywood blockbusters in recent years this collection will allow you to recreate the magic of the movies in your own bedroom from Frozen to Skyfall to The Hunger Games Each piece features an insight into the song itself as well as some really useful playing hints and tips to ensure you master each and every score So if you re a fan of the biggest movie soundtracks or you are just a fanatical film buff this Really Easy Piano Songs From The Movies collection will quench your thirst for those uplifting songs that make us fall in love with cinema M Songlist Atlas The Hunger Games Catching Fire Beating Heart Divergent Boom Clap The Fault In Our Stars Eyes Open The Hunger Games Everything Is Awesome Tegan Sara Girls Just Want To Have Fun Walking On Sunshine Happy Despicable Me 2 Hooked On A Feelin Guardians Of The Galaxy Man Or Muppet The Muppets I See Fire The Hobbit The Desolation Of Smaug Let It Go Frozen Once Upon A Dream Maleficent Over The Love The Great Gatsby Skyfall Skyfall Suddenly Les Mis rables A Thousand Years Twilight Breaking Dawn Part 1 Beyond the Night Nadine Farghaly,2015-09-04 Werewolves witches vampires demons gods zombies and shape shifters these are just a few examples of the monstrous that society is confronted with Most people have some knowledge about these creatures and have had fleeting contact with ghosts fairies vampires and goblins either in their imagination or while reading watching or interacting with other people whether in reality or the online world From Beowulf

and Buffy to Freddy Krueger and Frankenstein's Monster this collection highlights different aspects of the monstrous and discusses various ways in which they can be read discussed and understood What does the mother in Beowulf really represent How can the character of Zoey Redbird really be understood What is the importance of memories in Buffy the Vampire Slayer And what should we make of Terry Pratchett's undead creatures And what role does the children friendly vampire play Beyond the Night offers a range of insights into these topics as well as many more It presents the reader with a vast array of old and new creatures in popular culture analysing the significance they have for wider society This collection will also help readers to understand their favourite monsters better in relation to questions concerning sexuality gender social change and otherness

Abstinence Cinema Casey Ryan Kelly, 2016-03-08 From the perspective of cultural conservatives Hollywood movies are cesspools of vice exposing impressionable viewers to pernicious sexually permissive messages Offering a groundbreaking study of Hollywood films produced since 2000 Abstinence Cinema comes to a very different conclusion finding echoes of the evangelical movement's abstinence only rhetoric in everything from Easy A to Taken Casey Ryan Kelly tracks the surprising sex negative turn that Hollywood films have taken associating premarital sex with shame and degradation while romanticizing traditional nuclear families courtship rituals and gender roles As he demonstrates these movies are particularly disempowering for young women concocting plots in which the decision to refrain from sex until marriage is the young woman's primary source of agency and arbiter of moral worth Locating these regressive sexual politics not only in expected sites like the Twilight films but surprising ones like the raunchy comedies of Judd Apatow Kelly makes a compelling case that Hollywood films have taken a significant step backward in recent years Abstinence Cinema offers close readings of movies from a wide spectrum of genres and it puts these films into conversation with rhetoric that has emerged in other arenas of American culture Challenging assumptions that we are living in a more liberated era the book sounds a warning bell about the powerful cultural forces that seek to demonize sexuality and curtail female sexual agency

The Beloved Does Not Bite Debra Dudek, 2017-07-06 In this new monograph author Debra Dudek defines a new era of vampire texts in which vampires have moved from their iconic dark feared often seductive figure lingering in alleys to the beloved and morally sensitive vampire winning the affections of teen protagonists throughout pop culture Dudek takes a close look at three hugely popular vampire series for young adults drawing parallels between the TV series Buffy the Vampire Slayer the Twilight Saga novels films and The Vampire Diaries TV series book series By defining a new era of vampire texts and situating these three series within this transition *The Beloved Does Not Bite* signals their significance and lays the groundwork for future scholarship on the flourishing genre of paranormal romances for young adults

The Gospel According to Twilight Elaine Heath, 2012-01-03 With over one hundred million copies in print and having generated a series of hugely popular films the Twilight saga is one of the most successful fiction series ever written But despite its tremendous popularity few have questioned Twilight's theological assumptions or noticed the disturbing messages it sends out about

women violence and sexual stereotypes Elaine Heath is both deeply admiring and deeply critical of the Twilight novels and offers here an insightful analysis of what they say about temptation sin salvation heaven and hell sex power reconciliation and organized religion Whether or not you are already a fan this book will lead you to a deeper appreciation of both the good news and the bad news that Twilight tells about women sex and God Werewolves and Other Shapeshifters in Popular Culture Kimberley McMahon-Coleman,,Roslyn Weaver,2014-10-01 In recent years shapeshifting characters in literature film and television have been on the rise This has followed the increased use of such characters as metaphors with novelists and critics identifying specific meanings and topics behind them This book aims to unravel the shapeshifting trope Rather than pursue a case based study the works are grouped around specific themes adolescence gender sexuality race disability addiction and spirituality that are explored through the metaphor of shapeshifting Because of the transformative possibilities of this metaphor and its flexibility the shapeshifter has the potential to change how we see our world With coverage of iconic fantasy texts and a focus on current works the book engages with the shapeshifting figure in popular culture from the United States Canada the United Kingdom and Australia Instructors considering this book for use in a course may request an examination copy here
