Alp, Serkan Çankaya, 2024-07-02 EBES conferences have been an intellectual hub for academic discussion in economics finance and business fields and provide network opportunities for participants to make long lasting academic cooperation This is the 27th volume of the Eurasian Studies in Business and Economics EBES s official proceeding series which includes selected papers from the 40th EBES Conference which took place in Istanbul on July 6 8 2022 The conference was organized with the support of the Istanbul Economic Research Association in hybrid mode with both online and in person discussions at the Istanbul Ticaret University in Istanbul Türkiye Both theoretical and empirical papers in this volume cover diverse areas of business economics and finance from many different regions

The Internet Trap Matthew Hindman, 2018-09-25 A book that challenges everything you thought you knew about the online economy The internet was supposed to fragment audiences and make media monopolies impossible Instead behemoths like Google and Facebook now dominate the time we spend online and grab all the profits from the attention economy The Internet Trap explains how this happened This provocative and timely book sheds light on the stunning rise of the digital giants and the online struggles of nearly everyone else and reveals what small players can do to survive in a game that is rigged against them Matthew Hindman shows how seemingly tiny advantages in attracting users can snowball over time The internet has not reduced the cost of reaching audiences it has merely shifted who pays and how Challenging some of the most enduring myths of digital life Hindman explains why the internet is not the postindustrial technology that has been sold to the public how it has become mathematically impossible for grad students in a garage to beat Google and why net neutrality alone is no guarantee of an open internet He also explains why the challenges for local digital news outlets and other small players are worse than they appear and demonstrates what it really takes to grow a digital audience and stay alive in today s online economy The Internet Trap shows why even on the internet there is still no such thing as a free audience

Reconstructions in Middle East Economic History Don Babai, 2024-10-24 This volume explores major theoretical and empirical themes in the study of the economic history of the Middle East Despite the relative neglect of economic history in Middle Eastern studies this book makes a case for its importance as a discipline of study On the one hand it shows promise in illuminating the economic base of historical trends and events on the other it can elucidate the historical foundations of economic continuity and change The chapters employ an array of theoretical and methodological approaches and ultimately demonstrate how economics and history along with political economy complement each other in studying the Middle East Among the substantive topics explored are the trajectories of the Arab Spring institutional change and economic development in the early Ottoman Empire the destructive effects of the reordering property rights in Iraq by the American led occupation authority the evolution of the political economy of the Islamic Republic of Iran and the determinants of movements in the yields of Egyptian and Ottoman sovereign debt following political and economic crises in the 19th and early 20th centuries The book will be of interest to scholars and students of economic history political economy and the Middle East

of Violent Death Roberto C. Parra,Douglas H. Ubelaker,2023-02-09 The first book to specifically focus on the theoretical foundations of humanitarian forensic science Anthropology of Violent Death Theoretical Foundations for Forensic Humanitarian Action consolidates the concepts and theories that are central to securing the posthumous dignity of the deceased respecting their memories and addressing the needs of the surviving populations affected Focusing on the social and cultural significance of the deceased this much needed volume develops a theoretical framework that extends the role of humanitarian workers and specifically the actions of forensic scientists beyond an exclusively legal and technical approach Anthropology of Violent Death is designed to inspire and alerts the scientific community authorities and the justice systems to think and take actions to avoid the moral injury in society and cultures due to grave disrespect against humanity its memories and reconciliation Humanitarian forensic science faces the role of mediator between the deceased and those who are still alive to guarantee the respect and dignity of humanity Contributions from renowned experts address post mortem dignity cultural perceptions of violent death and various mortuary sites the forms and critical effects of the so called forensic turn and humanitarian action the treatment of violent death in post conflict societies respect for the dead under International Humanitarian Law IHL and Islamic law the ethical management of the death of migrants and much more In an increasingly violent world this volume develops a theoretical component for death management in scenarios where humanitarian action is required Facilities better understanding between the social sciences the forensic sciences and justice systems in situations involving violent death Discusses the latest theories from leading scholars and practitioners to enhance the activities of forensic scientists and authorities who have the difficult responsibility of making decisions It provides a better understanding of the humanitarian and cultural dilemmas in the face of violent death episodes and the unresolved needs of the dignity of the deceased during armed conflicts disasters migration crises including everyday homicides Anthropology of Violent Death Theoretical Foundations for Forensic Humanitarian Action is an indispensable resource for forensic scientists humanitarian workers human rights defenders and government and non governmental officials Comparative Labor Law Matthew W.

Finkin, Guy Mundlak, 2015-07-31 Economic pressure as well as transnational and domestic corporate policies has placed labor law under severe stress National responses are so deeply embedded in institutions reflecting local traditions that meaningful comparison is daunting This book *Tax, Inequality, and Human Rights* Philip Alston, Nikki Reisch, 2019-04-11 This book examines why taxation is central to the enjoyment or suppression of human rights in an age of rising nationalism authoritarianism and disillusionment with the traditional role of the state Taxation and human rights are at the heart of debates about the appropriate balance in society between the public and private sectors and ultimately the content of a new social contract Tracing the Politicisation of the EU Taru Haapala, Álvaro Oleart, 2021-11-02 Departing from the idea that political controversies are embedded in the very framework of European integration this volume focuses on the relationship between politicisation and European democracy The contributors to this edited volume trace the various ways of understanding politicisation before and beyond the 2019 European elections The aim is to offer constructive reinterpretations of the concept for further research in the field Encompassing different approaches the book shows a plurality of perspectives and provides innovative analytical tools to make sense of the phenomenon of politicisation in the EU context Assuming that EU politicisation can be seen both as vice and virtue depending on the way in which it takes place the authors analyse under what conditions it has a positive or negative influence over European democracy Emphasising that scholars ought to be aware of the normative assumptions underlying the conceptualisation of politicisation the book illustrates how many of the features in European politics that were intensified during the Covid 19 pandemic were already present earlier Tracing the Politicisation of the EU will be of interest to students and scholars in EU Studies Comparative Politics Media and Communication Political Theory and Political Sociology The Future of Catholic Biblical Interpretation James B. Prothro, Isaac Augustine Morales, 2024-09-10 Notable Catholic interpreters of Scripture discern the guiding values of biblical interpretation at the brink of a new era for the church Under the influence of Benedict XVI and Francis Roman Catholics whether lay or religious have found renewed interest in studying sacred Scripture Yet the church has also grown and faces new challenges in the new millennium What does the future of Catholic biblical interpretation look like And how ought the church's rich heritage of biblical interpretation continue to influence it This volume collects essays by some of the most influential voices in Catholic biblical scholarship today Covering a variety of topics from the Old Testament to the New Testament and biblical theology the essays are united by a common goal to hear the word of God and proclaim and apply it within the church The authors pay special tribute to Marie Joseph Lagrange This nineteenth century French Dominican led the way in blending critical methodology with respect for the Church's authority in order to put scriptural study in service to the good of souls Featuring diverse and authentically Catholic perspectives The Future of Catholic Biblical Interpretation represents fresh purpose and direction for the church's long and fruitful tradition of exegesis Dams, Power, and the Politics of Ethiopia's Renaissance Tom Lavers, 2024-10-01 This is an open access title available under the terms of a CC BY
