 investigates the cultural production of the visual iconography of popular pleasure grounds from the eighteenth century
 pleasure garden to the contemporary theme park Deborah Philips identifies the literary genres including fairy tale gothic
 horror Egyptiana and the Western which are common to carnival sites and traces their historical transition across a range of
 media to become familiar icons of popular culture Though the bricolage of narratives and imagery found in the contemporary
 leisure zone has been read by many as emblematic of postmodern culture the author argues that the clash of genres and

 conventionalized iconography *Hitchcock's Romantic Irony* Richard Allen,2007 Is Hitchcock a superficial though brilliant
 entertainer or a moralist Do his films celebrate the ideal of romantic love or subvert it In a new interpretation of the director's
 work Richard Allen argues that Hitchcock orchestrates the narrative and stylistic idioms of popular cinema to at once
 celebrate and subvert the ideal of romance and to forge a distinctive worldview the amoral outlook of the romantic ironist or
 aesthete He describes in detail how Hitchcock's characteristic tone is achieved through a titillating combination of suspense
 and black humor that subverts the moral framework of the romantic thriller and a meticulous approach to visual style that
 articulates the lure of human perversity even as the ideal of romance is being deliriously affirmed Discussing more than
 thirty films from the director's English and American periods Allen explores the filmmaker's adoption of the idioms of late
 romanticism his orchestration of narrative point of view and suspense and his distinctive visual strategies of aestheticism and
 expressionism and surrealism **Image and Power** Sarah Sceats,Gail Cunningham,2014-09-11 Image and Power is an

 been widely read and provides an important contribution to the debate about women in literature **Silence and Power**
