Ken realises he is in the same year and town where his great grandfather was married to Mary Riles The doll and Ken s dog can both talk and they all somehow end up taking a big part in his great grandfather s wedding The reader is kept guessing as to what will happen next Judi Emm,2005-08-01 Olivia is a young girl from a working class family background she comes from a small countryside village nestled away along with other villages in the Hope Valley area of Derbyshire in England The story follows the events through her life over two decades Beginning in 1967 as she is brought by an ambulance to a hospital in Manchester England when she is losing an aborted baby and she endures an inhumane and horrific experience at the hands of a sadistic doctor Olivia s life then begins to moves forward when she joins a happy Hippy Movement crowd before entering into a controversial marriage to a man many years her senior Then a short time later she experiences with her husband a very traumatic car accident where at the hospital the attending doctor s prognosis predicting that her life will soon be coming to an end But her body soul and willpower insist on fighting for her survival A few years later she enters into a second doomed marriage And in the following years that pass Olivia s life seems to turn into a big ROLLER COASTER RIDE Now always filled with sex drugs and rock roll as she clings to this wild and crazy hedonistic lifestyle for her own emotional security Until many years later when taking an overall view and stock of her life which now seems to becoming so totally out of her control she finally decides that it s time for her to jump off all of these fast fun filled rides which are taking her to nowhere So after much soul searching about what she does now really want in her life she decides that it is time for a reconciliation with her second husband Alex They decide to go to start a fresh new life when they go to live together in North America leaving all of her past behind her in England So now finally at last Olivia begins to enjoy the much needed love of her husband and family which deep down she had been craving for most of her life Suddenly from somewhere one night out of the blue in the year of 1987 a deep dark hidden force in her life returns turning twenty long lost hidden years into a FULL CIRCLE Motivating her now to visit the world down under in Australia forcing her to now confront and deal with her dark secret hidden past which tragically ends with sad dramatic consequences WHO IS OLIVIA The writer has portrayed in this woman s fiction novel a person that is as far removed from anything in Hollywood as possible She s just an ordinary girl who could be living next door to you or anyone else in the North of England The life of Olivia has been portrayed and written in colourful vivid imaginary and detailed true to life form so that the readers can visualise Olivia as a real true to life person that they could possibly identify with in part While at times understanding and feeling that some of the things that happened in her life could also have possibly happened in their own But no matter what trauma hardship heartache or crisis arrives in Olivia s life she not only challenges it grows from it and flourishes she is also very determined to survive it all whatever life throws her way And the readers will soon realize that no matter how tough Olivia s going gets she will never give up even when she feels that her world is crashing as it begins to crumble down all around her she will keep on striving until she perseveres Yes Olivia is a true survivor and will always manage to keep on swimming until she

reaches and gets herself across to the other side of the shore So come on you ladies And make yourselves very comfortable for this controversially absorbing story about the reality of a woman who could be you or one of your friends As Olivia dares u all to take this positively exciting and emotionally charged ROLLER COASTER RIDE with her hoping you can hang on until the end as you deal with what her life has in store as it turns into a FULL CIRCLE      *The Music of Your Life* John Rowell,2007-11-01 With a voice that is both sophisticated and deeply Southern author John Rowell evokes the memory of the great Truman Capote in this wonderful collection of short stories peopled with unforgettable endearing characters and filled with wry insights Drawn from the emotional well of a young man who grew up in love with the glittery glamorous world of music and movies and theater far removed from his own more prosaic life in North Carolina and informed with honesty and compassion the seven short stories that comprise *The Music of Your Life* showcase the talent of a remarkably gifted writer Compulsively readable and always accessible each story takes the reader into the mind and heart of its central character whether a young boy suffering from Lawrence Welk damage and teetering precariously on the edge of puberty *The Music of Your Life* or a not so young anymore man for whom fantasy and reality have become a terrifying blur and who finds himself slipping over the edge toward total meltdown Wildlife of Coastal Carolina Nostalgia plays a part in these stories as a somewhat jaded New York film critic looks back on his life and the movies that shaped him *Spectators in Love* and an aging flower shop owner ruefully assesses the love he found and lost when as an eighteen year old he embarked on a Hollywood career that never soared but did include one particularly memorable appearance on the *I Love Lucy* television show *Who Loves You* These stories all create entire worlds within which the characters live and struggle to find their way Funny touching serious and tender the tales within *The Music of Your Life* are sure to appeal to anyone who has ever known the awkwardness of being different and while life is often harsh for the stories characters the bold determination with which they persevere offers inspiration to all      **Something Borrowed, Something Blue** Christine Collier,2004-03 Amy a member of the Writer s Club is busy helping her daughter Rachel plan her wedding Will it be wedded bliss or more mystery for the Writer s Club In the sleepy little town of Foggy Grove the bridal shop *Something Borrowed Something Blue* is in the home of a wonderful seamstress Margaret Brown We learn that years earlier Margaret s own wedding was halted just as her father was to walk her down the aisle Why did she never marry the man she loved so much and tenderly nicknamed her huckleberry friend We meet Ivory the young helper Margaret hires to work in her shop Ivory dreams of becoming a writer but spends much of her time caring for her sister Jade What has happened to the bride Raven Moore Why did she call off her wedding one week before it was scheduled Why is her car parked at Foggy Grove Inlet near the Sweetheart Tree and why is her name carved into this tree with a question mark The *Foggy Grove Gazette* will raise questions about Raven s whereabouts and the crow hunters that have come from all over the country The popular column *Dear Miss Lonely Heart* will share two letters that cause a stir in Foggy Grove as does a rare second edition of the newspaper      Heritage Comics Signature Auction #814
