Book of The Covenant - An Integrated Translation and Transliteration of the Hebraic Scriptures Gimel UriYaH,2023-01-07 Preface The faith of Abraham Yitzchak and Yaaqob and the Covenant which ELOHIM made with him his descendants and their gentile commonwealth is Hebraic in context All scriptures undergirding this truth and the Covenant should be read interpreted and applied in the context of its Hebraic framework This will assure a valid

understanding of these Hebraic scriptures If these scriptures are interpreted or translated at the expense of their Hebraic context and pertinent terminology then the reader s understanding and perspective would accordingly be compromised The foundation of the Hebraic scriptures is the Torah Instructions Neviim Prophets and Ketuvim Writings TaNaKh TNK All other scriptures testimonies or writings including the traditional twenty seven Messianic Testimonies and Letters MTL regardless of their language context or source must derive their authenticity and validation from the TaNaKh and particularly so if they are intended to be a congruent and continuing Testimony of that everlasting Truth and Covenant It would be ideal if the global English speaking community at large were conversant with the Hebraic language and context of the Scriptures Since this is not so a necessary mitigating action is to provide such readers with an Integrated Translation and Transliteration ITT of the Hebraic Scriptures Such an ITT process though not a literary translation norm is a necessary remedy to manifest its original Hebraic context and critical terminologies Hence pertinent Hebraic terminologies including names and titles are transliterated in this Book of The Covenant rather than being translated or substituted to preserve their original Hebraic root word and thereby their intended Hebraic meaning Shortcomings of the common comprehensive translation process whether concordant or equivalence have been apparent in the history of Scripture translations at large It had resulted in the manifestation of non Hebraic substituted or contrived critical terminologies in the destination language such as Lord instead of YHWH God instead of EL ELOAH ELOHIM Church instead of Qahal Jesus instead of YAHshua Christ instead of Mashiach Testament instead of Covenant Angel instead of Malach Such critical word substitution or replacement process coupled with a non Hebraic theological framework have resulted in the evolution of doctrines or religious systems which are not congruent with the original Hebraic Scriptures This Book of The Covenant BTC is a restoration of the Hebraic context of Scripture through an integrated translation and transliteration ITT of crucial Scripture terminologies All transliterated names and words in the main text are in italics and listed with their respective Hebraic meaning in the Appendices
