Years later Kelsey has been propelled by her relentless parents to mega stardom her voice a radio fixture and her face on billboards worldwide Meanwhile Logan is trying to carve out her own life in New York City despite the constant reminders of her cousin s absence Though she has long since stopped trying to solve the mystery of their last hours together the inexplicably fractured memories haunt her Then on Logan s twenty seventh birthday she gets the call that she s been longing for and dreading Before she can second guess herself she s on a plane to L A to reunite with Kelsey and the parents who ripped them apart but Logan will soon learn that some family secrets are kept hidden for a reason Shadow Mothers Cameron Lynne Macdonald,2011-02-09 Shadow Mothers shines new light on an aspect of contemporary motherhood often hidden from view the need for paid childcare by women returning to the workforce and the complex bonds mothers forge with the shadow mothers they hire Cameron Lynne Macdonald illuminates both sides of an unequal and complicated relationship Based on in depth interviews with professional women and childcare providers immigrant and American born nannies as well as European au pairs Shadow Mothers locates the roots of individual skirmishes between mothers and their childcare providers in broader cultural and social tensions Macdonald argues that these conflicts arise from unrealistic ideals about mothering and inflexible career paths and work schedules as well as from the devaluation of paid care work **Love, Money, Duty** Rachel Adams,2025-04-29 From birth to death we care and are cared for by others Yet we rarely acknowledge care except when it fails In Love Money Duty Rachel Adams examines the stories we tell about care those who do the work and those who depend on it These narratives she argues help us better understand our complicated feelings about care and the obligations that come with it Combining insightful and compassionate readings of writers and artists among them Toni Morrison Susan Sontag Roz Chast Sally Mann and Jamaica Kincaid with stories of her own experiences Adams analyzes the work feelings and ethical dilemmas associated with care including unwelcome emotions such as boredom resentment exhaustion and disgust From the universal dependence of infancy to elder care and from the intimacy of home and family to institutions like hospitals nursing facilities and asylums Love Money Duty considers our ambivalence about vulnerability and need and how it is shaped by capitalism race and gender Drawing from moral philosophy gender and queer theory critical race and disability studies and health humanities Adams treats care as a form of work a feeling an ethic and an art Exploring the radical possibilities of care and the devastating consequences of its failure this book invites readers to appreciate care that works recognizing the creativity and resourcefulness of dependent people and their caregivers *Making a Way out of No Way* Lisa Krissoff Boehm,2010-01-06 The Second Great Migration the movement of African Americans between the South and the North that began in the early 1940s and tapered off in the late 1960s transformed America This migration of approximately five million people helped improve the financial prospects of black Americans who in the next generation moved increasingly into the middle class Over seven years Lisa Krissoff Boehm gathered oral histories with women migrants and their children two groups largely overlooked in the story of this event She also utilized existing oral histories with

migrants and southerners in leading archives In extended excerpts from the oral histories and in thoughtful scholarly analysis of the voices this book offers a unique window into African American women s history These rich oral histories reveal much that is surprising Although the Jim Crow South presented persistent dangers the women retained warm memories of southern childhoods Notwithstanding the burgeoning war industry most women found themselves left out of industrial work The North offered its own institutionalized racism the region was not the promised land Additionally these African American women juggled work and family long before such battles became a staple of mainstream discussion In the face of challenges the women who share their tales here crafted lives of great meaning from the limited options available making a way out of no way
