

The background of the book cover is a painting of a man in a dark suit, white shirt, and orange tie, lying face down on a dark surface. His hands are outstretched in front of him. A single chocolate chip cookie lies on the surface near his right hand. A bright, circular light emanates from behind the man's head, creating a halo effect and illuminating the text above.

**Love's Executioner** Irvin D. Yalom, 2013-04-04 *Love's Executioner* offers us the humane and extraordinary insight of renowned psychiatrist Irvin D Yalom into the lives of ten of his patients and through them into the minds of us all Why was Saul tormented by three unopened letters from Stockholm What made Thelma spend her whole life raking over a long past love affair How did Carlos s macho fantasies help him deal with terminal cancer In this engrossing

book Irvin Yalom gives detailed and deeply affecting accounts of his work with these and seven other patients. Deep down all of them were suffering from the basic human anxieties: isolation, fear of death or freedom, a sense of the meaninglessness of life that none of us can escape completely. And yet, as the case histories make touchingly clear, it is only by facing such anxieties head on that we can hope to come to terms with them and develop. Throughout, Dr Yalom remains refreshingly frank about his own errors and prejudices; his book provides a rare glimpse into the consulting room of a master therapist. Dr Yalom demonstrates once again that in the right hands the stuff of therapy has the interest of the richest and most inventive fiction.

Eva Hoffman, *New York Times*. These remarkably moving and instructive tales of the psychiatric encounter bring the reader into novel territories of the mind and the landscape is truly unforgettable.

Maggie Scarf, *Love's Executioner* is one of those rare books that suggests both the mystery and the poetry of the psychotherapeutic process. The best therapists are at least partly poets. With this riveting and beautifully written book, Irvin Yalom has joined their ranks.

Erica Jong, *Dr Yalom* offers a valuable insight into the delicate process of therapy.

*Sunday Telegraph*. Dr Yalom is unusually honest both with his patients and about himself.

Anthony Storr, *Yalom is a gifted storyteller and from the sound of these tales a no less gifted psychotherapist*.

*Los Angeles Times*. *Summary of Irvin D. Yalom & Marilyn Yalom's A Matter of Death And Life*. Everest Media, 2022-03-08T22:59:00Z. Please note: This is a companion version, not the original book.

**The Windows of Saint Joseph**

Claudia Mazzucco, 2009-04. Autism is a house without doors, but sometimes a window is opened. For me, that window was religion. Too early in my life, I was blessed to perceive religion as it really is, and though in the very depth of my self, I knew that child abuse didn't apply in this case, the images that Islam and the Inquisition evoke in me were almost too horrible to bear. In a word, I was terrified of religion. How little we know what a religious experience really is, even our own. Certainly after two years of meetings and daily masses, there was no sense of reality that my mind could provide for the content of Catholic doctrines, thereby invalidating them. I had never really noticed what the rules of Catholicism were and what typical Catholics experienced. However far I fall short of their understanding, I think my real trouble was I didn't have a theory of mind, thus I concluded that everybody, including the priest who had to celebrate mass, experienced what I did. The theory of the mind runs very deep. It underscores the big words, the kinds of words that make consciousness possible, self, community.

freedom itself I have indeed become conscious of my freedom How far down would I need to dig to discover the Risen Christ
