thersites is an international open access journal for innovative transdisciplinary classical studies edited by Annemarie Ambühl Filippo Carl Uhink Christian Rollinger and Christine Walde thersites expands classical reception studies by publishing original scholarship free of charge and by reflecting on Greco Roman antiquity as present phenomenon and diachronic culture that is part of today's transcultural and highly diverse world Antiquity in our understanding does not merely belong to the past but is always experienced and engaged in the present thersites contributes to the critical review on methods theories approaches and subjects in classical scholarship which currently seems to be awkwardly divided between traditional perspectives and

cultural turns the site brings together scholars writers essayists artists and all kinds of agents in the culture industry to get a better understanding of how antiquity constitutes a part of today's culture and transforms our present the site appears twice yearly and publishes regular issues as well as specially themed and guest edited issues focused on individual subjects and questions Call for papers are released regularly and long in advance on our homepage <https://thersitesjournal.de> and on other pages that feature announcements for classical studies APA Mommsen Gesellschaft etc Circe Madeline Miller, 2019 Circe is not powerful like her father Helios nor viciously alluring like her mother Persephone Turning to the world of mortals for companionship she discovers that she does possess power the power of witchcraft which can transform rivals into monsters and menace the gods themselves Zeus banishes her to a deserted island where she hones her occult craft tames wild beasts and crosses paths with many figures in mythology When Circe unwittingly draws the wrath of both men and gods she ultimately finding herself pitted against one of the most terrifying and vengeful of the Olympians Adapted from back cover

How the Light Gets In Graham Ward, 2016 *How the Light Gets In* Ethical Life I presents a systematic account of the teachings of the Christian faith to offer a vision from a human created and limited perspective of the ways all things might be understood from the divine perspective It explores how Christian doctrine is lived and the way in which beliefs are not simply cognitive sets of ideas but embodied cultural practices Christians learn how to understand the contents of their faith learn the language of the faith through engagements that are simultaneously somatic affective imaginative and intellectual In the first of four volumes Graham Ward examines the complex levels of these engagements through three historical developments in the systematic organization of doctrine the Creeds the Summa and Protestant dogmatics He outlines a methodology for exploring and practicing systematic theology that captures how the faith is lived in cultural social and embodied engagements Ward then unpicks several fundamental theological concepts and how they are to be understood from the point of view of an engaged systematic truth revelation judgement discernment proclamation faith seeking understanding and believing as it relates to and grounds the possibilities for faith This groundbreaking work offers an interdisciplinary investigation through poetry art film the Bible and theological discourse analysing the human condition and theology as the deep dream for salvation The final part relates theology as a lived and ongoing pedagogy concerned with individual and corporate formation to biological life social life and life in Christ Here an approach to living theologically is sketched that is the primary focus for all four volumes ethical life **Canon Fanfiction** Christine Schott, 2023-01-30 Several scholarly fields investigate the reuse of source texts most relevantly adaptation studies and fanfiction studies The limitation of these two fields is that adaptation studies focuses narrowly on retelling usually in the form of film adaptations but is not as well equipped to treat other uses of source material like prequels sequels and spinoffs On the other hand fanfiction studies has the broad reach adaptation studies lacks but is generally interested in underground production rather than material that goes through the official publication process and thus enters the literary canon This book sits in the gap between these fields

discussing published novels and their contribution to the scholarly engagement with their pre and early modern source material as well as applying that creative framework to the teaching of literature in the college classroom
