The Summerhouse By Jude Deveraux:

The Summerhouse Jude Deveraux, 2002-04-26 Jude Deveraux's marvelous New York Times bestseller is a touching and delightful exploration of the longings that live deep inside every woman's heart featuring three friends who get a once in a lifetime chance to find out what might have been. Have you ever wanted to rewrite your past? Three best friends all with the same birthday are about to turn forty. Celebrating at a summerhouse in Maine, Leslie, Headrick, Madison, Appleby, and Ellie Abbott are taking stock of their lives and loves, their wishes and choices. But none of them expects the gift that awaits them at the summerhouse: the chance for each of them to turn their what might have beens into reality. Leslie, a suburban wife and mother, follows the career of a boy who pursued her in college; wonders what if she had chosen differently? Madison dropped a modeling career to help her high school boyfriend recover from an accident, even though he'd jilted her. But what if she had said no when her old boyfriend had called? Ellie became a famous novelist, but a bitter divorce wiped out her earnings and shattered her belief in herself. Why had the justice system failed her? And could she prevent it from happening the second time around? Now a mysterious Madame Zoya offers each of them a chance to relive any three weeks from the past. Will the road not taken prove a better path? Each woman will have to decide for herself as she follows the dream that got away and each must choose the life that will truly satisfy the heart's deepest longings. Return to The Summerhouse Jude

Deveraux, 2008-12-09 The sequel to the bestselling *THE SUMMERHOUSE* tells the story of three women who are given the chance to go back in time and recreate their history. Amy is a perfectionist with a wonderful husband and two young boys, but when she suffers a miscarriage, she suddenly realizes her life isn't as ideal as it seems on the outside. Faith is in her 30s but looks years older. Her husband died a year ago, but she is really mourning another man, one she let go years ago. And Zoe, a painter who dresses in black and has multiple piercings, suffered a brain injury and can't recall anything after her high school prom. All she knows is that she did something so horrible that her entire hometown hates her. These three women, with nothing in common except for shared pain, are united one weekend in a summerhouse in Maine. There they meet Madame Zoya and her sister Primrose, who have mystical powers and give them the opportunity to alter their own histories. When Amy decides to return to 18th-century Georgian England to see if she can change her husband's ancestor, the other women elect to go with her, and all three are given a chance to create their own happily ever after. *Return to Summerhouse* Jude
