Olsen These journals also contain reflections by Kierkegaard on a number of his most important works including the two works written under his new pseudonym Anti Climacus *The Sickness unto Death* and *Practice in Christianity* and his various attempts at autobiographical explanations of his work And all the while the drumbeat of his radical critique of Christendom continues and escalates Kierkegaard wrote his journals in a two column format one for his initial entries and the second for the extensive marginal comments that he added later This edition of the journals reproduces this format includes several photographs of original manuscript pages and contains extensive scholarly commentary on the various entries and on the history of the manuscripts being reproduced *The Works of Jonathan Edwards, A.M.* Jonathan Edwards, 1840 **The Christian Witness and Congregational Magazine** ,1870 **The Scottish Christian journal** ,1855 **The Friends' Library: Comprising Journals, Doctrinal Treatises, and Other Writings of Members of the Religious Society of Friends** William Evans (Publisher, of Philadelphia.),1842 **333 Journal Pages** Linda Wright,2018-02-05 In memory of my husband James A Wright I have written this book of 333 journal pages For each entry I have selected a Bible verse for you to reference or study and then some of my thoughts on the topic at hand After a short prayer there is room for your thoughts and ideas I love to journal and I pray you will join me in loving it too Discover why this book is titled 333 Journal Pages in my introduction and Journal Page 1
