

ROBERTSON DAVIES THE CORNISH TRILOGY

'One of the most remarkable achievements of contemporary fiction.'
John Julius Norwich in the *Sunday Times*

The Cornish Trilogy By Robertson Davies

Robertson Davies

The Cornish Trilogy By Robertson Davies:

The Cornish Trilogy Robertson Davies, 1992 Woven around the pursuits of the energetic spirits and erudite scholars of the University of St John and the Holy Ghost this dazzling trilogy of novels lures the reader into a world of mysticism historical allusion and gothic fantasy that could only be the invention of Canada's grand man of letters *Robertson Davies's Cornish Trilogy* Victor J. Lams, 2008 Robertson Davies's Cornish Trilogy A Reader's Guide is the first book length study of Davies's best work *The Rebel Angels* *What's Bred in the Bone* and *The Lyre of Orpheus* In *The Rebel Angels* Maria and Darcourt alternate in narrating the novel's theme obsession before escaping from its grip by their mutual assistance while other characters are less fortunate *What's Bred in the Bone* narrates the artistic development of Canadian painter Francis Cornish which is crowned by his stunning *Marriage at Cana* an iconographic presentation of his personal myth a color reproduction of Bronzino's *Allegory* exemplifies their stylistic kinship While *The Lyre of Orpheus* is ostensibly focused on the completion and staging of an unfinished Hoffmann opera it narrates the ameliorative personal development of the characters who interact during that project *The Cornish Trilogy* Robertson Davies, 1991 *The Rebel Angels* Robertson Davies, 1982 Robertson Davies uses his magical touch to weave together the destinies of this remarkable cast of characters creating a wise and witty portrait of love murder and scholarship at a modern university *Aspects of Robertson Davies' Novels* Victor J. Lams, 2009 Completing the survey begun in Lams *Cornish Trilogy* volume *Aspects of Robertson Davies Novels* discusses the *Salterton* and *Deptford* trilogies along with Davies last two novels Murther it is best understood as an implicit spiritual history of Canada which is adumbrated in the generational experience of a single Canadian family *The Cunning Man* concludes Davies career with a narrative as rewardingly complex as any of the Cornish trilogy novels *The Cornish Trilogy* Robertson Davies, 1991 **What's Bred in the Bone** Robertson Davies, 1986 Francis Cornish was always good at keeping secrets From the well hidden family secret of his childhood to his mysterious encounters with a small town embalmer a master art restorer a Bavarian countess and various masters of espionage the events in Francis's life were not always what they seemed **The Lyre of Orpheus** Robertson Davies, 1990 Davies triumphantly concludes the trilogy begun with *The Rebel Angels* The Cornish Foundation is thriving under the tutelage of Arthur Cornish art expert collector connoisseur and notable eccentric **Robertson Davies** Nicholas Maes, 2009-03-23 Born in Thamesville Ontario a student at Queen's University in Kingston in the 1930's and editor and later publisher of the *Peterborough Examiner* from the 1940s to the mid 1960s playwright essayist critic professor and novelist Robertson Davies 1913-1995 was one of Canada's pre eminent literary voices for more than a half century Davies with his generous beard and donnish manner was the very epitome of the man of letters a term he abhorred Best known for his *Deptford Trilogy* of novels *Fifth Business* *The Manticore* *World of Wonders* he also wrote two other trilogies *Salterton* and *Cornish* and was at work on the third volume of another trilogy Toronto when he died With a life as rich in character and colour as that found in his fiction and essays Davies had a

great fondness for magic and myth both of which are found in abundance in his work along with a prodigious streak of wry humour What next? Markus Richard Stadelmann,1992 **Robertson Davies** Lynne Diamond-Nigh,1997 *Cornish Trilogy, 1. The Rebel Angels* Robertson Davies,1981 **Robertson Davies** Camille R. La Bossière,Linda M. Morra,2001 This collection of essays on the writing of Robertson Davies addresses the basic problems in reading his work by looking at the topics of doubling disguise irony paradox and dwelling in gaps or spaces in between The essays present new insights on a broad range of topics in Davies oeuvre and represent one of the first major discussions devoted to Davies work since his death in 1995 Publishled in English **The Lyre of Orpheus** Robertson Davies,2019-04-23 The final Cornish Trilogy novel from an author who tells terrific stories that twist around and double back on themselves in surprising ways The New York Times There is an important decision to be made The Cornish Foundation is thriving under the directorship of Arthur Cornish when Arthur and his beguiling wife Maria Theotoky decide to undertake a project worthy of Francis Cornish connoisseur collector and notable eccentric whose vast fortune endows the Foundation The grumpy grimy extraordinarily talented music student Hulda Schnakenburg is commissioned to complete E T A Hoffmann s unfinished opera Arthur of Britain or The Magnanimous Cuckold and the scholarly priest Simon Darcourt finds himself charged with writing the libretto Complications both practical and emotional arise the passion in Maria s blood rises with a vengeance Darcourt stoops to petty crime and various others indulge in perjury blackmail and other unsavory pursuits Hoffmann s dictum the lyre of Orpheus opens the door of the underworld seems to be all too true especially when the long hidden secrets of Francis Cornish himself are finally revealed Davies once again delivers the goods with this solidly entertaining finale Blending a characteristic knack for wit esoterica and snobbery Davies charges ahead with a buoyant tale of upper class grantsmanship and modern day cuckoldry A spry jaunt from an old master once again in full command of the form Kirkus Reviews Packed with interesting details of opera history and production intelligent observations and playful allusions Publishers Weekly With his wonderfully complex yet controlled plot deft portrayal of eccentric characters and great wit Davies effectively satirizes the world of universities and foundations Library Journal **Catching the Wind in a Net** Dave Little,1996 Catching the Wind in a Net traces the evolution of Davies s religious views and their influence on his novels From his brief reference to an Ancient of Days wearing service club buttons in Leaven of Malice to Ormuzd the Light One of the Manichees in Murther and Walking Spirits Dave Little s study examines Davies s provocative and sometimes conflicting notions of a supreme being **Patrick White and God** Michael Giffin,2017-05-11 The novels of Australia s Nobel Laureate Patrick White 1912 1990 are a persistent commentary on Nietzsche s proclamation of God s death As White knew the proclamation was not about God s existence but about classical views of God it presented him with the impossible task of using language to describe what language cannot describe This has always been one of the more misunderstood aspects of his literary vision Because the announcement is often interpreted in antithetical ways atheistic theistic secular religious humanistic and fatalistic critics should gain a better

understanding of what White was trying to achieve by comparing him with his post war contemporaries from England Scotland and Canada Iris Murdoch William Golding Muriel Spark and Robertson Davies After and because of the war these authors all commented on the consequences of God's death Along with White they worked with a shared pattern of tropes to explore the light and dark aspects of western consciousness and the civilization it has produced Where did the pattern come from Was it metaphysical or metapsychological These questions are complex as the pattern came from many sources simultaneously and synergistically but this book tackles these questions by describing that pattern Robertson Davies Camille La Bossière, Linda M. Morra, 2001-07-03 This collection of essays on the writing of Robertson Davies addresses the basic problems in reading his work by looking at the topics of doubling disguise irony paradox and dwelling in gaps or spaces in between The essays present new insights on a broad range of topics in Davies oeuvre and represent one of the first major discussions devoted to Davies work since his death in 1995 Published in English **Interpreting Literary Texts** Michael Giffin, 2024-09-12 This book considers how textual interpretation has been influenced by post Kantian philosophy and aesthetics particularly the cultural transition from the correspondence theory of knowledge and truth to Nietzschean perspectivism and the canonical transition from Classicism to Romanticism to Modernism to Postmodernism It discusses the principles of interpretation the concept of reason logos and how the West's model of mind evolved The novels of Jane Austen introduce the concept of Classicism including her debt to Aristotle's thinking about Tragedy and Comedy in Poetics The two trajectories of Romanticism are discussed the philosophical trajectory through Berlin's idea of Counter Enlightenment the immanent critique of metaphysics and the aesthetic trajectory through Blake's vision of what is possible if the doors of perception can be cleansed The novels of Australia's Patrick White introduce the concept of Modernism and his attempt to imagine the real The novels of Margaret Atwood introduce the concept of Postmodernism tracing her literary evolution from an author focused on female identity to one concerned with the future of humanity The novels of Graham Greene and Muriel Spark are discussed as two different Catholic responses to Modernism The novels of Marilynne Robinson and Douglas Wilson are discussed as two different Protestant responses to Calvinism A Bibliography of Robertson Davies Carl Spadoni, Judith Skelton Grant, 2014-08-01 Robertson Davies 1913-1995 one of Canada's most distinguished authors of the twentieth century was known for his work as a novelist playwright critic journalist and professor This descriptive bibliography is dedicated to his writing career covering all publications from his first venture into print at the age of nine to works published posthumously to 2011 Entries include each of Davies signed publications and those pseudonymous or anonymous writings he acknowledged having written Included are his plays novels journalism academic writing translations interviews speeches lectures unsigned articles and editorials films audio recordings and multimedia editions Also listed is a generous sampling of unsigned articles and editorials Using Davies archives and the archives of other authors organizations and publishers Carl Spadoni and Judith Skelton Grant present A Bibliography of Robertson Davies to serve the research demands of Canadian

literature and book history scholars

The Deptford Trilogy Robertson Davies, 1977-09-01
