Schull, 2015-12-15 Chilean poet Pablo Neruda was more than just a writer He was also an activist politician and Nobel Peace Prize winner Through direct quotations facts and excerpts of his work the life of Pablo Neruda is told in a way that is intriguing captivating and most of all inspiring Pablo Neruda Jodie A. Shull, 2009-01-01 Explores the life of writer Pablo Neruda from his childhood in the Chilean rainforests to winning the Nobel Prize for Literature Companion to Pablo Neruda Jason Wilson, 2014-08 Pablo Neruda was without doubt one of the greatest poets of the twentieth century but his work is extremely uneven There is a view that there are two Nerudas an early Romantic visionary and a later Marxist populist who denied his earlier poetic self By focussing on the poet's apprenticeship and by looking closely at how Neruda created his poetic persona within his poems this Companion tries to establish what should survive of his massive output By seeing his early work as self exploration through metaphor and sound as well as through varieties of love and direct experience the Companion outlines a unity behind all the work based on voice and a public self Neruda's debt to reading and books is studied in depth and the change in poetics re examined by concentrating on the early work up to Residencia en la tierra I and II and why he wanted to become a poet Debate about quality and representativity is grounded in his Romantic thinking sensibility and sincerity Unlike a Borges or a Paz who accompanied their creative work with analytical essays Neruda distilled all his experiences into his poems which remainhis true biography Jason Wilson is Professor Emeritus in the Department of Spanish and Latin American Studies University College London Pablo Neruda, selected poems Pablo Neruda, 1990 Poem Central Shirley McPhillips, 2023-10-10 In everything we have to understand poetry can help Tony Hoagland Harper's April 2013 In Poem Central Word Journeys with Readers and Writers Shirley McPhillips helps us better understand the central role poetry can play in our personal lives and in the life of our classrooms She introduces us to professional poets teachers and students people of different ages and walks of life who are actively engaged in reading and

Daniels, 2015-06-18 This book brings together twelve authors who look at the concept of the word from several different perspectives inspiring in the reader a sense of wonder to think of the lowly word which we toss away in yesterday's newspaper which we ignore on street signs which we utter without giving a thought to the consequences of the power carried by the word Moving from a psycholinguist explanation of the acquisition of language the volume presents the function of the word in bad jokes in **Pablo Neruda and the U.S. Culture Industry** Teresa Longo, 2013-08-21 In this compelling collection Teresa Longo gathers a diverse group of critical and poetic voices to analyze the politics of packaging and marketing Neruda and Latin American poetry in general in the United States Visible Dissent Teresa Longo, 2018-05-15 Highlighting the importance of reading and re reading the Latin American canon in the United States
