The Construction of Whiteness Stephen Middleton, David R. Roediger, Donald M. Shaffer, 2016-04-13 A CHOICE Outstanding Academic Title 2017 This volume collects interdisciplinary essays that examine the crucial intersection between whiteness as a privileged racial category and the various material practices social cultural political and economic that undergird white ideological influence in America In truth the need to examine whiteness as a problem has rarely been grasped outside academic circles The ubiquity of whiteness its pervasive quality as an ideal that is at once omnipresent and invisible makes it the very epitome of the mainstream in America And yet the undeniable relationship between whiteness and inequality in this

country necessitates a thorough interrogation of its formation its representation and its reproduction Essays here seek to do just that work Editors and contributors interrogate whiteness as a social construct revealing the underpinnings of narratives that foster white skin as an ideal of beauty intelligence and power Contributors examine whiteness from several disciplinary perspectives including history communication law sociology and literature Its breadth and depth makes The Construction of Whiteness a refined introduction to the critical study of race for a new generation of scholars undergraduates and graduate students Moreover the interdisciplinary approach of the collection will appeal to scholars in African and African American studies ethnic studies cultural studies legal studies and more This collection delivers an important contribution to the field of whiteness studies in its multifaceted impact on American history and culture Start Jon Acuff,2013-04-22 Wall Street Journal best selling author Jon Acuff reveals the steps to getting unstuck and back onto the path of being awesome Over the last 100 years the road to success for most everyone has been divided into five stages that mirror the decades of working life Your 20s are a period of Learning This is the decade of trying a thousand things exploring a multitude of interests and discovering what really motivates you Your 30s are a period of Editing This is the decade of sorting out interests where you discover what you really care about and who you really are Your 40s are a period of Mastering This is the decade of narrowing focus honing skill sets and becoming an expert in your field Your 50s are a period of Harvesting This is the decade of reaping the benefits of good decisions and enjoying the highest income earning period in a career Your 60s are a period of Guiding This is the decade of mentoring training and encouraging others on their own road to success Every successful person has followed these steps regardless of their occupation But three things have changed the path to success and erased the decades associated with them Finish lines are dead Boomers are realizing that a lot of the things they were promised aren't going to materialize and they have started second and third careers Anyone can play Technology has given access to an unprecedented number of people who are building online empires and changing their lives in ways that would have been impossible years ago Hope is boss The days of success first significance later have ended A new generation doesn't want to change the world eventually they want to change it now through the wells they kickstart in Africa and the TOMS they wear on their feet The value system has been flipped upside down The result is that you've got an entire generation pushing down to start over another generation pushing up to start for the first time and in the middle of this collision the tools to actually change the world Experience years now trump chronological age And while none of the five stages can be skipped they can be shortened and accelerated There are only two paths in life average and awesome The average path is easy because all you have to do is nothing The awesome path is more challenging because things like fear only bother you when you do work that matters The good news is Start gives readers practical honest actionable insights to be more awesome more often It's time to punch fear in the face escape average and do work that matters It's time to Start **iPad for Seniors in easy steps, 3rd edition** Nick Vandome,2013-10-30 The iPad is a tablet computer that is stylish versatile and easy to use and there is no
