*Children's Books in Print, 2007* ,2006 *From Soldier to Storyteller* Kathleen Broome Williams, Hal M. Friedman, 2024-10-08 Many of the best known and most popular children s stories of the 20th and early 21st century were written by veterans of World War I and World War II These include works by such writers as A A Milne C S Lewis Roald Dahl Ian Fleming and J R R Tolkien among others Although they had experienced war most of the veterans did not overtly write about it The seeming paradox of warriors who went through searing combat and then wrote books for children has not been addressed collectively before now The essays in this book explore what motivated these veterans to write for children what they wrote and how their writing was influenced by the wars they lived through It examines how their combat experience can be traced in their writing however subtly whether it was stories about a bear and his piglet companion a World War I flying ace or a flying car Their reactions to war as reflected in their writing yield important lessons about the complicated legacy of the 20th century s two great conflicts and their long lasting impact through children on society at large School Library Journal ,2005 Science Fiction, Fantasy, & Horror ,1986 **The Barnes & Noble Guide to Children's Books** John
